

IMPERIAL EDICT: THE FLAG OF AVALON

His Imperial Majesty Llywelyn, by the grace of Divine will, Emperor of Avalon and Paramount Patriarch of the World, Et al., proclaims that the Empire of Avalon shall have her own banner. The flag shall be called the Flag of Avalon.

The banner is symbolic of the covenant and *de jure* sovereignty conveyed to us from our Sovereign Lord, the God of Israel.

The banner shall consist of an imperial purple field with a golden imperial wreath. The Flag of Avalon is to be flown above national flags, standards, and imperial and royal banners.

All citizens are to take notice and render proper salutes and respects when deemed appropriate.

Llywelyn
Imperator of Avalon
