

Teachers Needed at King's Light Christian Academy

A New Private Christian High School Opening in Fall 2021

About the School:

King's Light Christian Academy (KLCA) is a new private Christian hybrid high school opening in the Fall of 2021, for 9th-10th grade. The KLCA will follow the patented and successful University-Model[®], which is a five-day academic program with students spending 2-3 days in the central classroom and 2-3 days in their "satellite classroom" at home. Both classrooms are under the supervision of the professional educator. This structure mirrors the college schedule of on campus and off campus class days. The result is high quality, cost-effective, preparatory education that gives parents more time for imparting their own faith and values to their children. In partnership with one another, parents and KLCA will work together toward a mutual goal: to produce wholesome, competent, and virtuous followers of Christ who will change the world for the better within their generation.

Curriculum:

The KLCA will utilize Ignitia, a high school curriculum by Alpha Omega Publications[®], a leading provider of Christian curriculum / online Christian courses. KLCA teachers will foster the use of the Ignitia syllabus and customize it to their class.

Objective:

KLCA is looking for Christ-centered teachers that live to inspire their students for academic excellence while encouraging their walk with God.
