

Math/Science Teaching Position at King's Light Christian Academy

About the School:

King's Light Christian Academy (KLCA) is a new private Christian hybrid high school which opened in the Fall of 2021, for 9th-10th grade and will add 11th grade in 2022-2023. KLCA is a member of the accredited and successful University-Model[®] Schools International, which combines the best attributes of traditional schooling with the best attributes of homeschooling and integrates them into one model. The result is high quality, cost-effective, preparatory education that gives parents more time for imparting their own faith and values to their children. In partnership with one another, parents and KLCA will work together toward a mutual goal: to produce wholesome, competent, and virtuous followers of Christ who will change the world for the better within their generation.

Curriculum:

The KLCA will utilize Ignitia, a high school curriculum by Alpha Omega Publications[®], a leading provider of Christian curriculum / online Christian courses. KLCA teachers will foster the use of the Ignitia syllabus and customize it to their class.

Objective:

KLCA is looking for Christ-centered teachers that live to inspire their students for academic excellence while encouraging their walk with God. The applicant has the option of teaching math or science for the 9th-11th grades.
