Project  
Style Guide for Brand Refresh

Software  
Adobe Illustrator  
Adobe Photoshop

Summary  
Client wanted a slight adjustment to their existing logo along with new color palette, graphics, fonts and photo styles in an easy-to-follow brand guide.

#### **Client**

Barnes Design Group

#### **Project**

Company Logo

#### **Software**

Adobe Illustrator

#### **Summary**

New business, new logo!  
The business owner was a seasoned veteran with a wide range of capabilities. She wanted to capture simplicity and modernity with her new, independent venture.

**Client**

Community and Economic Development Association of Cook County, Inc. (CEDA)

**Project**

Project 15 Logo

**Software**

Adobe Illustrator

**Summary**

Logo design for Project 15, an interview-style podcast focused on emerging leaders and emerging youth innovators to address causes of and solutions to poverty in Cook County neighborhoods.

**Client**

Happie Spoon Girl

**Project**

Company Logo Design

**Software**

Adobe Illustrator

**Summary**

Hippie and happy combined to describe the owner of this independent jewelry business.

#### Client

Shailushi + Kosha

#### Project

I Am Speaking Podcast Logo

#### Software

Adobe Illustrator

#### Summary

Logo design for I Am Speaking, an interview-style podcast focused on the lives of “othered” Americans. The goal of the podcast is to hear, share, and amplify the voices of Americans—both citizens and noncitizens—who have felt like outsiders in their homes.

Hosted by first-generation Indian-American sisters, I Am Speaking highlights the unique experiences of people who feel or have been marginalized by the current US cultural hegemony in their communities.
