

This guide is for Customers using the Gymcatch website

When we add you to Gymcatch you will receive an email from Gymcatch inviting you to claim your account. By claiming your account, you create a password so that you can access your account. You will then be able to cancel classes, book classes and check your credits.

Once your account has been claimed you can log into the Gymcatch website at any time:

<https://gymcatch.com/app/login>

These are Important things to note

On the day email reminders – You will not get a reminder email on the day of the class. You will get an email confirmation any time you are booked into a class. We advise you save these emails, especially if you are doing a zoom class as the booking confirmation contains the zoom link.

Payment cards

We will not be taking payment through Gymcatch, so don't add your card details

Waiting lists

Gymcatch has a waiting list facility. When a space becomes available it, emails everyone on the waiting list at the same time. Whoever gets there first can book it. If no one books it, it's available for anyone to book.

Zoom classes are available just before term starts.

Most studio classes will have spaces available, a few spaces are held back and will be available 7 days before a class.

Phone numbers

We would like you to add a phone number to your account. The main reason for this is so can get a message to you if a class is cancelled at short notice.

Next time you book or cancel a class, the system will ask you to add a phone number (mobile ideally) before you can proceed. Once you've done this, you won't be asked again.

There is a space for emergency contact details. It might be helpful to have that information. We aren't making that mandatory but would ask you to fill it in, in case of emergencies.

Health forms

It is always useful for instructors to have these to look at, especially they are covering a class that they wouldn't usually teach and need to be aware of anyone that needs modifications.

If you haven't updated your health form for a couple of years, You can download a blank form here: [Health form](#)

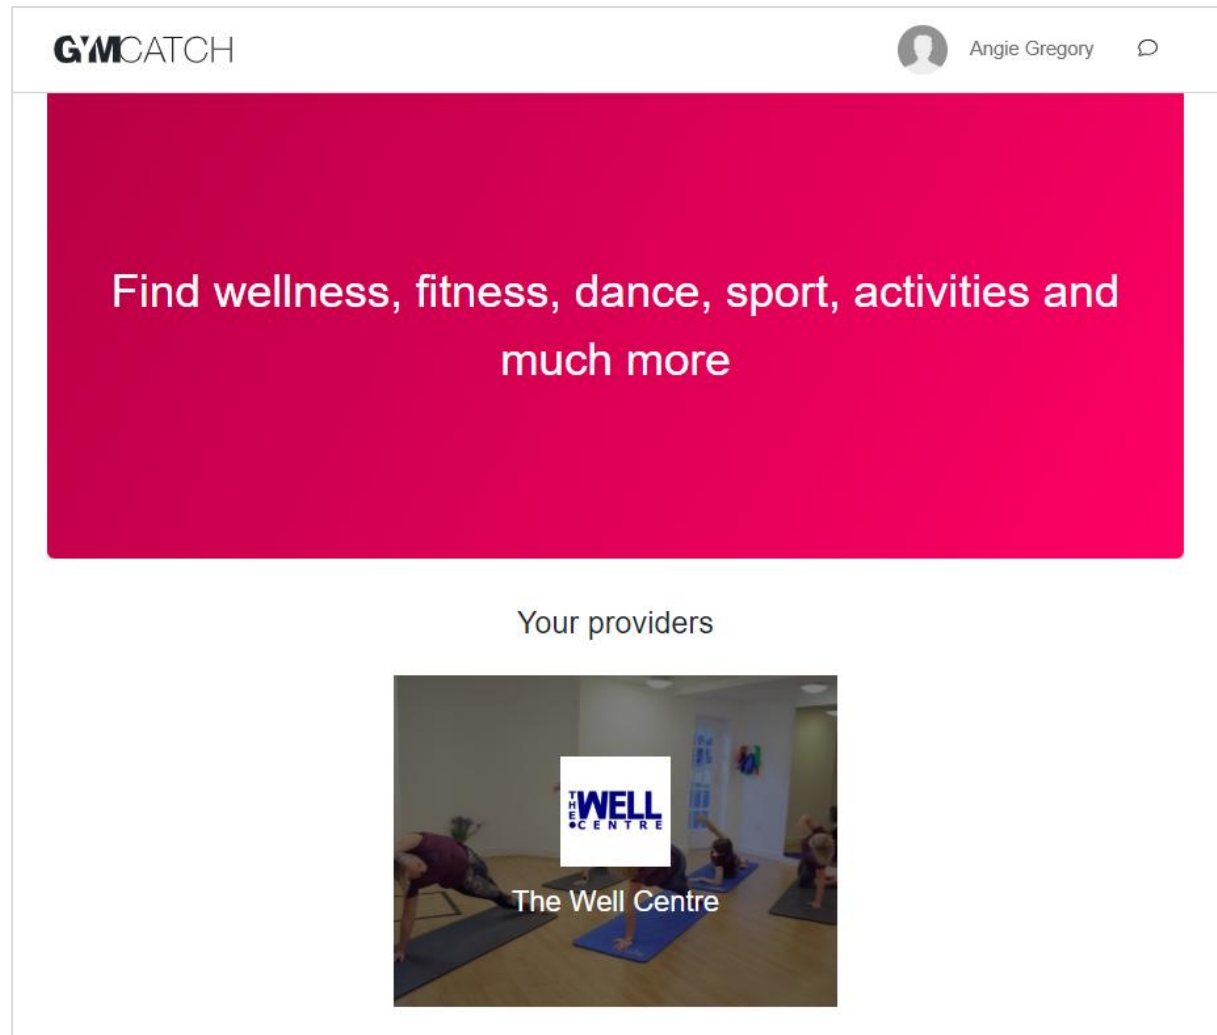

Using the Gymcatch website

We've done our best to cover everything you may need to do or see on the Gymcatch website. Take your time to follow the instructions below and if there is something we've missed let us know.

Logging in

Log in to the Gymcatch website <https://gymcatch.com/app/login>

To view your class bookings

There are 2 ways to view your bookings

1. If you look at the class schedule and there is a green tick, then you are booked in for a class that date. You can either click on the date in the calendar or look at the list underneath and find the class you booked in for - look for the green tick. Then click on details

Or you may find this easier

2. Click on your name to get to your profile page and you'll see more options. Go to purchases and you will see a list under my bookings.

The screenshot shows the Gymcatch user profile for Angie Gregory. At the top right, there is a user profile icon and the name 'Angie Gregory' with a chat icon. Below this, the name 'Angie Gregory' is displayed again, with a 'Log out' button to the right. A horizontal menu contains several options: 'Details', 'Purchases' (which is highlighted with a red underline), 'Notifications', 'Participation information', 'Payment cards', and 'Sub-profiles'. Below this menu, another set of options includes 'Bookings' (highlighted with a red underline), 'Packages', 'Courses', and 'Resources'. The main section is titled 'My bookings' and features three filter buttons: 'Last 30 days', 'Upcoming' (highlighted in red), and 'Custom'. To the right of these filters is a dropdown menu currently showing 'Becky Hampton'. Below the filters, a date selector shows 'Tuesday 21 May'. The bookings list contains two items, each with a 'Course Session' header, a green checkmark icon, a thumbnail image of a person in a yoga-like pose, and a 'Details' button. The first booking is 'TEST weekdays 9am STUDIO' from 09:00 to 10:00, part of 'TEST Weekday 9am STUDIO', at 'The Well Centre The Studio'. The second booking is 'TEST weekdays 6pm ZOOM' from 18:00 to 19:00, part of 'TEST 6pm weekday mixed ZOOM', at 'The Well Centre'. A small camera icon is visible at the bottom right of the second booking entry.

If you click on details you can join zoom from your Gymcatch account.

To get back to the class schedule, click on the Gymcatch logo in the top right corner and then the picture of The Well Centre.

To book a class

Log into the Gymcatch website and click on the picture of 'the Well Centre' to get to the class schedule. In the calendar click on the date you want to book a class. It will show a list of classes running that day. Studio classes have a blue band across the photo, Zoom classes have a red band across the photo. Click on the 'details' for the class you want to book.

If there are spaces available to book, you will see 'book' in a pink box. When you click on 'book', a box will pop up showing the credits you have available to use for your booking. Choose the one you want to use and click on 'book with package'.

Another box will pop up confirming you've booked your place. You will receive an email with your booking details.

Credits – from cancellations and purchased credits

Log into your Gymcatch account and click on your name in the top right hand corner of the screen. In purchases you will see packages. This is where you can view your credits.

Credit balance

Credits are added to bundles, so a bundle can have more than 1 credit in it and you can have more than 1 bundle.

For example, if you cancel more than 1 class in a term you will have 1 auto refund package for that term with all your credits from that term in it. If you have cancelled credits that haven't expired from the previous term you will have a bundle with those credits in too.

Credit expiry dates

If you click on a bundle you can check the expiry date. Credits expire after 3 months.

Blue for studio credits and red for Zoom credits. You can only use the credits to book the type of class it is for. Studio and zoom credits aren't interchangeable (But we can do this manually if you ask us to).

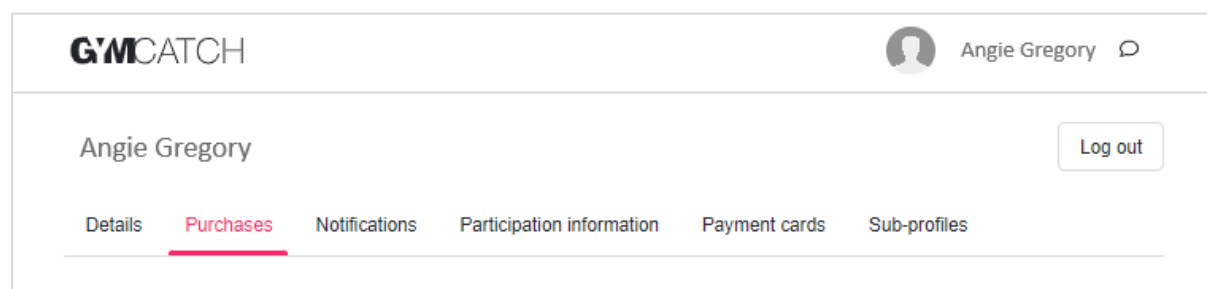

All credits will have the green gifted box on them, because we add them to your account.

The screenshot displays the user's account page with the 'Purchases' tab selected. Underneath, the 'Packages' sub-tab is active. The 'My packages' section features a filter for 'Live' packages. Two bundles are listed:

- 1 studio class credit - 3 month expiry**: 1 sessions for £13.50, The Well Centre, Becky Hampton (customer), 1 credit left. Marked as 'Gifted'.
- Auto refund Zoom - April term**: 1 sessions for £8.50, The Well Centre, Becky Hampton (customer), 1 credit left. Marked as 'Gifted'.

Getting back to the class schedule

If you are in your account and want to get back to the class schedule, click on the Gymcatch logo and you'll see the screen with The Well Centre image you see when you log in.

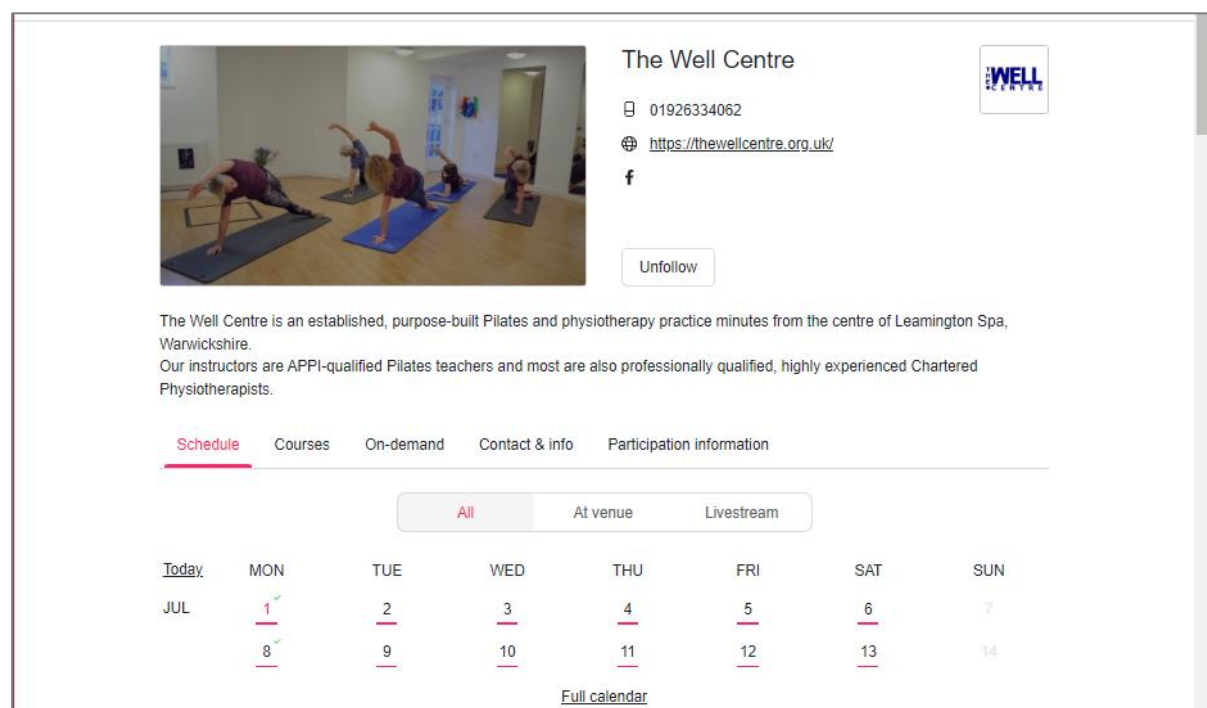

Pre-recorded classes – On demand purchases

These are only available on the Gymcatch website, not the Gymcatch App

We have pre-recorded classes which are available for you to purchase. Each recording costs a zoom credit or £8.50.

On the schedule page click on on-demand and you will see the list of classes available.

Click on the one you want to purchase and then view purchase options. If you have a zoom credit, it will show when you when you click on purchase options. If nothing shows, that implies you don't have a suitable 'package'. You can add credits to your account by sending £8.50 per class to the usual bank account and emailing us to advise you want to buy a zoom credit.

If you want to use a studio credit to buy a recording, let us know and we can either convert your studio credit as a straight swap or you could add £3.50 to the usual account, and we will add 2 zoom credits.

Please remember that we need to be alerted if you send money to the bank account so we know what you are paying for!

After you have purchased a pre-recorded class you can find it under resources when you look at your purchases in your account.

More information about your profile page

Click on your name in the top right-hand corner and you'll be able to access the following

Details - Your name and email. This is where you can change your password.

Purchases

- **Bookings** – See section about viewing your classes above
- **Packages** – See section about credits above
- **Courses** – This is Gymcatch terminology. A course is a term, and a session is a class. We create a course and add sessions. If you click on 'courses' and you have block booked for the term, you will see the class name and the term start and end date. If you click on the course, you can view the sessions and manage your bookings from there.
- **Resources** – We hope to add pre-recorded classes to this section in the future

Notifications - When your account is created Gymcatch signs you up for all notifications. We recommend you stay subscribed to:

- Booking confirmations - you get these anytime you are booked you into a class. These have the zoom links in and you will need to save these! You won't get on the day reminders.
- Updates on wait lists – self explanatory!
- Session reminders – these aren't currently being sent, but Gymcatch may enable them in the future.
- Session updates and cancellations – We may use these from time to time if anything changes with a scheduled class.
- Package purchases and renewals – if you buy credits, you may find this one useful to know when we've added your credits.

The others with an * at the end all relate to the Gymcatch app, you won't receive any of these if you are using the Gymcatch website.

Participation information - If you click on The Well Centre image, you can see chose the details you share with us. At the moment it's just your email address, which we used to create your account.

We would like you to add a phone number to your account. The main reason for this is so can get a message to you if a class is cancelled at short notice.

Next time you book or cancel a class, the system will ask you to add a phone number (mobile ideally) before you can proceed. Once you've done this, you won't be asked again.

There is a space for emergency contact details. It might be helpful to have that information. We aren't making that mandatory but would ask you to fill it in, in case of emergencies.

Payment cards - We won't be taking payments through Gymcatch, so don't add card details.

Sub-profiles - You don't need to set up sub-profiles. You won't be able to book with sub-profiles
