

**YOUTH GOT  
HEALTHCARE  
CONFERENCE**

**LEADERSHIP  
& INNOVATION LAB**

The Youth Got Healthcare Conference, organized by the Leadership & Innovation Lab, is a dedicated platform to showcase our students' impressive efforts, innovation and leadership in the healthcare field.

These students, committed to combining their interest in medicine/healthcare and their passion for serving their communities, will be sharing with us their various entrepreneurial initiatives in domains ranging from care for senior citizens to dentistry.
