5. Hard Sciences	12. Communications	18. Data Science
6. Mathematics	13. Computer Science/ Computer Engineering	19. Consulting
7. Humanities		

Personalize your program to your own specific interests and receive individualized attention from your instructor in your chosen niche.

- 8 Recorded Lectures followed by 8 Live Seminars, over 9 Weeks
- 1:1 Meeting with Instructor for personalized mentorship
- Final Presentation of personalized project plan at the end!
- 8 Office Hours & time commitment of 1-2 hours per week

The program culminates in a Final Presentation where you will share your unique project plan. This session is designed to **hone public speaking skills**, and **parents are invited to join** and view your progress.

*\*Part of the group program can be personalized, all of the 1:1 program can be personalized.*

# Objectives & Overview

## 1 Master Leadership & Soft Skills

Discover fundamental elements and alternative, less typical ways of demonstrating leadership. Hone public speaking and presentation skills

## 2 Master the "4 Ps" of Entrepreneurship

Learn the basic concepts needed to attempt your own project: **Purpose, Plan, Pitching, and Publicity.**

## 3 Case-Study Driven Domain Exploration

Learn key knowledge points through curated lectures and be inspired by real student projects broken down for effective emulation.

## 4 Profile Intersectionality for High Impact

Obtain personalized insight on the most unique elements of your profile and learn how to combine them in a cohesive, coherent manner.

## 5 Personalized Niche Pursuit & Culmination

Receive 1-to-1 attention to brainstorm profile-enhancing actions. Share your own project plan in a Final Presentation at the end of the journey.

## **How do you join the LEE program?**

**Grade Level:** The LEE program can benefit all students 7th grade and above.

**By Application Only:** The LIL is by application only. Students must complete an application to join the LIL.

**Applicant Requirements:** This is a selective program for students who are serious about exploring their leadership and entrepreneurship skills, embarking on a journey to truly stand out from the crowd. It is critical that students understand their commitment prior to commencing.

**Attendance:** Once accepted, students will be required to attend all sessions, actively participate, and complete all homework assignments on time.
