

ELITE DOMINANCE: 2025/2026 Ivy League & Ivy-Adjacent Results

The 2025/2026 Early Admission cycle has established the Leadership & Innovation Lab as a premier incubator for world-class talent. In an era where "perfect" scores are common, our students utilized Unique Signature Initiatives to break through the most competitive applicant pools in history.

🏆 BY THE NUMBERS: IVY LEAGUE & ELITE SUCCESS

- **12% Ivy League Admission Rate:** Approximately 1 in 8 of our students have already been accepted to the Ivy League, including **Harvard, Yale, UPenn, Columbia, and Cornell.**
- **25% Ivy-Adjacent & Global Elite:** Over one-quarter of our students secured spots at "Ivy-Plus" and world-leading institutions such as **Stanford, UChicago, MIT, Duke, Johns Hopkins (BME), Oxford, and UCL.**
- **Specialized Program Success:** Our students dominated ultra-competitive tracks, including **NYU Stern, Michigan Ross, JHU BME, and UPenn Engineering.**

💡 THE DIFFERENTIATOR: THE SIGNATURE INITIATIVE

Top-tier universities are no longer just looking for high-achieving students; they are looking for architects of change. Every student listed above stood out by developing a signature project—a unique initiative that demonstrates the leadership and innovation required to succeed at institutions like **Harvard** and **Stanford**.

“ A signature project turns a standard application into a narrative of leadership that admissions officers cannot ignore. ”
