

Tournament Roster & Update – September 25, 2019

- We have finalized the rosters (included in page 2).
- The teams are very evenly balanced with each team having 98 skill points. Each team has two defensemen so each team will have to equally figure out that out.
- We have assigned jersey numbers. Some players have an asterisk next to your number since we had to upsize your jersey based up our supply. Please don't switch jerseys during the tournament since the scorers have pre-printed labels of the team and we will be refining the ratings so when you register for another All Play Hockey tournament the roster balancing algorithm will be even more precise.
- The schedule has slightly changed due to the referee schedule. We have also added locker room assignments. There is a women's locker room at the rink.

- As mentioned in our last communication, registration opens at 4:30 pm and closes at 7:00 pm (15 minutes before the second game) so we can take the ice as well.
- We had a setback on securing the permit to sell beer at the tournament. It just won't be the same without it so we will be providing beer for each of the teams. We will have a "donation box" if you want to help defray the cost.
- The website has been built out so you can access schedule, roster, standings, scoring, news and photos during the tournament.
- If any of you have a friend/significant other that has a nice camera who can take pictures on Friday night, we could use the help. We will post them on the website, which is always fun. Send me an email if you can help.
- We only have 8 players for the bonus game so make sure you get back to me to register for the bonus game.
