

#1 INT. VA HOSPITAL - CAFETERIA - DAY

Ethan, wheelchair, sits across from Joan

Roger walks into the cafeteria with LAURA (30), fierce, not the kind of woman you want to mess with.

ETHAN

Why did I let you talk me into this?

Ethan turns away from them.

Laura beelines to the table and sits. Roger sits next to Joan.

LAURA

Look at me, Ethan.

He slowly turns around.

LAURA

When you asked me to marry you, I said yes. That wasn't conditional.

ETHAN

I didn't want you to see me like this.

LAURA

Then you're more selfish than I thought.

ETHAN

I'm broken, Laura.

LAURA

So is everybody else. Stop feeling sorry for yourself. Let me help you.

ETHAN

But it not fair for you.

LAURA

You don't get to decide for me whether I love you or not.

ETHAN

I'm sorry. I just...

LAURA

Stop being sorry and give me a hug. We're doing this.
Together.

They embrace.

#2 EXT. FLORIDA RESORT BOAT DOCK - DAY

The Dive Boat is prepared.

Wheelchair users are being loaded, gear is being loaded, people
are getting onto the boat.

Laura rolls Ethan. They stop at the boat.

ETHAN

Are you sure? Jonathan said it was okay if you come on the
boat.

LAURA

I get seasick. I would't want you to see me like that.

ETHAN

Are you serious right now?

LAURA

I know.

ETHAN

Get your butt in here. I would love to hold your hair while
you puke over the side of the boat.

LAURA

Babe, I don't know.

ETHAN

Laura Ann, get on this boat with me.

LAURA

Okay, okay. I'll come but if I get sick, its your fault.

EXT. BOAT AT OCEAN DIVE SITE - DAY

Ethan is lifted out of the water, onto the transom and into his wheelchair. Laura is there. They make their way to the bench.

ETHAN

How are you feeling, Beautiful.

LAURA

I'm good. How was it?

ETHAN

It's peaceful down there. All I think about is my breath.

LAURA

You look different today. Calmer.

ETHAN

Yeah, it's like a reset button.
