

# DO YOU NEED TENTS?

- TO CREATE EXTRA OCCUPANCY?
- FOR SOCIAL DISTANCING?
- TO COVER EMPLOYEES OR CUSTOMERS OUTSIDE?
- SET-UP AN OUTSIDE DRIVE-UP OR CURBSIDE PICK-UP?

We are the supplier of equipment for events like Taste of Colorado, Cinco De Mayo, PrideFest, Bolder Boulder, and Cherry Creek Arts Festival. With these events cancelling or postponing we are looking at ways to repurpose our equipment.

We are a small local business trying to think of ways to serve more people while following the distancing rules as they are provided.

10'x10' Tents all the way up to 10,000 square ft

(Also: Fencing, Temp Power, Stanchions, Sanitation and Staffing)
