## about **habitat**noosa

Award winning Noosa based tour operator The Discovery Group, launches Queensland's most exciting eco-tourism product, **habitat**noosa.

Operating since 1975, an existing campground is undergoing extensive revitalisation to position **habitat** as a world class eco-tourism facility.

**habitat** is uniquely located in the National Park, a short 5 minute boat ride from the Noosa Everglades and a 25 minute shuttle transfer from Noosa.

The 65 acre site, with 500 metres of beachfront on the Noosa River provides onsite camping, motorhome, RV sites and glamping accommodation.

The eco camp has a dedicated facility for educational groups and conferencing for up to 100 delegates.

**habitat** is also home to a large eastern grey kangaroo population, living side by side with us, in the eco camp.

Other facilities include a kiosk, bar, bistro and entertainment area providing views over the Noosa River.

Key selling points for **habitat**noosa are:

- Unique, exclusive and direct access into the Noosa Everglades
- 25 minute shuttle transfer to the cosmopolitan hub of Noosa.
- 15 minutes off the Bruce Highway.
- 45 minutes from Sunshine Coast Airport
- 90 minutes from Brisbane Airport.

**habitat**noosa offers you an **accessible wilderness experience**.
