AGREEMENT TO HOLD HARMLESS, WAIVER AND ASSUMPTION OF RISK

I understand that attendance of a dog obedience training class is not without risk to myself, members of my family or guests who may attend, or my dog, because some of the dogs to whom I will be exposed may be difficult to handle even with the greatest amount of care. I hereby waive and release the Butler Dog Training Association hereinafter referred to as the "training organization", its employees, officers, members, and agents from any and all liability of any nature, for injury or damage which I or my dog may suffer, including specifically, but without limitation, any injury or damage resulting from the action of any dog, and I expressly assume risk of such damage or injury while attending any training session, or any other function of the training organization, or while on the training grounds or the surrounding areas thereto. In consideration of and as inducement to the acceptance of my application for training or membership by this training organization, I hereby agree to indemnify and hold harmless this training organization, its employees, officers, members and agents from any and all claims or claims by any member of any family or any other person accompanying me to any training session or function of the training organization, or while on the grounds or the surrounding area thereto as a result of any action by any dog, including my own.

Please take a moment to read and keep this instruction sheet.

- 1) **Before mailing your application, we ask that you call 724-287-3933 and speak to Sande to determine the best class for you.** Sande will be able to give you the information about the classes that are currently being filled, the times and the starting dates. You will then be asked to mail in your deposit (1/2 the total class fee) with your application to hold a space in class. Balance of the class fee will be due at your first class. **Checks (deposits and final fee payments) are not cashed until class starts. You will be responsible for any fees incurred by NSF checks. *** Please make checks payable to: BDTA**
- 2) *****Mail checks w/application to: Sande Winters, 430 Mushrush Road, Butler 16002**
- 3) For your first class, bring proof of your dog’s vaccinations and certification from your veterinarian stating that your dog has been checked for parasites within 30 days of starting your first class. **All dogs must have ID tags (even if micro-chipped)**
- 4) You will need a 6’ leash. No flexi-leads (retractable leashes) are permitted. We recommend leather leashes because of the ease in handling and durability. The type of collar needed for these classes will be a decision made between you and your instructor. We carry many of the newest and effective training collars and harnesses available. We also carry hand-made leather leashes.
- 5) Please try to arrive at least 15 minutes early for class.
- 6) Children under the age of 10 years old may not train in class due to liability issues.
- 7) Since consistency is important in building a relationship with your dog, we suggest that the same handler work with the dog each class throughout the course. However, we do understand that another family member may need to attend the class when there is a schedule conflict, emergency, etc...
- 8) Most important of all, we would like you to remember that every dog has a right to a warm bed, a nutritious diet, good health care, exercise, companionship, and the chance to develop the intelligence inherent in all canines. When your dog is given these necessities, you will be given the unconditional love, loyalty and companionship all good dog owners receive in return.
