

Bio: Ike Steele

Ike Steele is an accomplished Hollywood actor, producer and director. He uses his experience as an actor, motivational speaker, a talk show host and a father of two beautiful children to write compelling and popular fiction for toddlers and teens.

He was born in Lagos, Nigeria, moved to Houston, TX for education before relocating to Hollywood, CA.

Ike started hosting talkshows in 2010. At his first on camera event, he did not have a microphone but his love for the art and enthusiasm got him through. Today Ike has done countless talkshows with topics ranging from relationships, politics, religion, finance, healthcare and entertainment.
