INTRODUCTION

A K Rice Industries is one of the leading Rice Millers & Exporters of Basmati and Non-Basmati Rice in India. We are leading exporters in India and exporting in various countries all over the world. Here, one can get all varieties of rice along with excellent quality.

HISTORY

In 1976, Mr. Ashok Sethi began working in rice industry and now A K Rice Industries has established itself as one of the most prominent players in the Indian rice industry, with over four decades of expertise. The Company's success has been achieved through operating responsibly, executing adeptly, manufacturing innovatively, and aggressively catching new prospects. It operates largely in the field of rice product manufacture and marketing.

MISSION

To provide unmatched customer service to our valued customers through strong relationships that encourage a sense of community. We have the objective to provide the highest quality basmati rice at a competitive price and maintain our trusted leadership in the global market.

VISION : Our vision is to make our company **AK RICE INDUSTRIES** as synonym of quality rice.

PRODUCTS

We deal in numerous varieties of rice including both Basmati and Non-Basmati like 1121, 1509, 1401, Pusa, Sugandha, PR- 11, PR-14, PR-26 - Steam, Parboiled Sona Masoori, Sharbati, Ponni Rice, RH-10, Permal, IR-64, IR-36

SERVICES OFFERED

- We provide deliveries in buyer's private labelled brands.
- Rice delivered to the customer will be clean, polished and sort.
- We also design new and attractive brand packaging for your products.
- We deliver rice of exact properties as per the customer's requirement.
- We don't need third parties as every process from manufacturing to packaging is conducted by us in our premises.
- We are big enough to handle all your demands, but not so huge that we lose sight of your specific market needs.
