

Join the Hays Athletic Booster Club Team!

The Hays Athletic Booster Club (HABC) provides support to all sports of the Hays High School athletic program.

- **What's the mission of the HABC?**

Fill the stands, bring the spirit, support our Hays student athletes!

- **What do the boosters do?**

Each year, the HABC provides financial support to the athletic activity funds for all sports. For the 2018-2019 school year, we have budgeted \$10,000 for this purpose. Additionally the HABC provides financial support and assistance with the Fall, Winter, and Spring RED & BLUE RALLIES that celebrate athletes in each season's sports. And finally, the HABC provides college scholarships for senior athletes. This year we will be providing \$10,000 in scholarships!
