

Hays Athletic Booster Club 2018-2019 Membership

The Hays Athletic Booster Club (HABC) provides support to all sports of the Hays High School athletic program. Our mission: **Fill the stands, bring the spirit, support our Hays student athletes!** Membership and donations help to fund the HABC goals. (Membership year runs from August 2018-July 2019.)

Each year, the HABC provides financial support to the athletic activity funds for all sports. For the 2018-2019 school year, we have budgeted \$10,000 for this purpose. Additionally the HABC provides financial support and assistance with the Fall, Winter, and Spring RED & BLUE RALLIES that celebrate athletes in each season's sports. And finally, the HABC provides college scholarships for senior athletes. This year we will be providing \$10,000 in scholarships!
