

Hello Parents of Bleacher Creatures:

In an effort to make Friday night a little less chaotic, **we will have shirts available for pick-up for your Bleacher Creature tomorrow evening -- Thursday, 9/6/2018, from 5:30pm to 7:00pm** at the entrance to Bales Gym (on the north side of the stadium by the baseball fields).

We will also have a table for shirt pick-up on Friday night at the stadium somewhere near the south endzone/gate area (TBD) starting at 5:30pm, but we have **A LOT** of Bleacher Creatures signed up so if you can pick-up your shirt tomorrow night, that would help with the flow.

Here's the planned flow for Bleacher Creatures for Friday, September 7:

- Pick up shirts starting at 5:30pm.
- Keep your Creature with you until at least 6:45pm.
- Starting at 6:45pm, we will gather the Bleacher Creatures either in the south portion of the track behind the end-zone or in the fenced in area by the visiting field house at the southeast end of the stadium.
- At approximately 7:10pm, the varsity football team will run onto the field, followed by the Bleacher Creatures. (**This will be flexible because it's senior/parent night and they'll be introducing all senior players.**)
- You will pick up your Bleacher Creatures on the north end of the stadium, just outside of the track area. **Please be at the north end and ready to receive your Creature immediately following their run across the field.**

This is such a fun tradition! But please do be prepared for a good bit of controlled chaos. With this many kids, it's going to be a little nutty. We do have adult and student volunteers who will be helping with this process, but if you'd like to stay with your Creature in the holding area, that's absolutely fine. **Please note though that no parents/adults will be allowed on the field or track.** And if you stay until time to for the Creatures to run, please make arrangements to have another adult at the pick-up zone or you'll need to really hoof it to the other end of the stadium!

Please let me know if you have any questions.

Thank you for allowing your Little Rebels to participate in the Bleacher Creatures!!
