

Hello Parents of Bleacher Creatures:

Here's the planned flow for Bleacher Creatures for this **Friday, October 11**.

This week we'll be celebrating **HOMECOMING!** The Homecoming coronation festivities will begin at approximately 7pm and should end at approximately 7:20pm. There will also be a special time to honor the "Original Rebels" -- the first graduating class of Hays HS! It will be awesome, so come early and enjoy!

- Starting at **7:00 pm**, we will gather the Bleacher Creatures in the fenced in area by the visiting field house at the southeast end of the stadium. (Same place as last game.)
Please have your Bleacher Creature there no later than 7:10pm.
- At around 7:20 pm, the varsity football team will run onto the field, followed by the Bleacher Creatures.
- You will pick up your Bleacher Creatures on the north end of the stadium, just outside of the track area. Please be at the north end and ready to receive your Creature immediately following their run across the field.
- If you have not picked up your BC shirt, we will have them available starting around 6:30 in the drop-off area. **Please make sure that your Bleacher Creature is wearing this year's Bleacher Creature shirt.** We have a few extra shirts if you would like to purchase additional shirts for \$15.
- Reminder: Bleacher Creatures and their parents **must purchase tickets** to enter the stadium for the game.

What if it RAINS?? There is currently a chance of rain in the forecast. (Personally, I'm doubtful..) Unless there is lightning or the game is postponed, the Bleacher Creatures will run according to the schedule above. **For updates or changes to this schedule, we will post information on the Hays Athletic Booster Club social media sites** (search for us on Facebook, Twitter @RebelsABC and Instagram @RebelsABC). We will not be able to send out an email update from the stadium.

Thank you! Thanks again for letting your kids participate in the Bleacher Creature program. As before, we will have adult and student volunteers who will be helping with this process, but if you'd like to stay with your Creature in the holding area, that's fine. Please note that no parents/adults will be allowed on the field or track. And if you stay until it is time for the Creatures to run, please make arrangements to have another adult at the pick-up zone or you'll need to really hoof it to the other end of the stadium!

Please let us know if you have any questions. Thank you for allowing your Future Rebels to participate in the Bleacher Creatures!!
