

Hello Parents of Bleacher Creatures:

Here's the planned flow for Bleacher Creatures for **Friday, September 27**.

This week we'll be celebrating **Future Rebel Night**. The Barton & Wallace middle school football teams as well as various football club teams have been invited to run out of the helmet before the game. Varsity will enter field first, then middle school teams, followed by the Bleacher Creatures. {Check with your middle school coaches on details for those teams. Middle school athletes should be sure to bring their IDs with the athletics pass/sticker to get into the game.}

- **Important reminder:** Bleacher Creatures and Parents must purchase tickets to enter the stadium.
- Starting at **7 pm**, we will gather the Bleacher Creatures in the fenced in area by the visiting field house at the southeast end of the stadium. (Same place as last game.) **Please have your Bleacher Creature there no later than 7:10 pm.**
- At around 7:20 pm, the varsity football team will run onto the field, followed by the middle school teams and the Bleacher Creatures. (Waiting on info from Coach about which group will go first.)
- You will pick up your Bleacher Creatures on the north end of the stadium, just outside of the track area. **Please be at the north end and ready to receive your Creature immediately following their run across the field.**

Thank you! Thank you for your flexibility at our first home game! The waiting during the senior introductions was a little hard for some of the Bleacher Creatures but they were AWESOME and fun and incredibly well-behaved. This week should be a bit less delayed, but there will always be a fair amount of controlled chaos. As before, we will have adult and student volunteers who will be helping with this process, but if you would like to stay with your Creature in the holding area, that's fine. **Please note though that no parents/adults who are not volunteers will be allowed on the field or track.** And if you stay until it's time to for the Creatures to run, please make arrangements to have another adult at the pick-up zone or you'll need to really hoof it to the other end of the stadium!

SHIRTS: If you have not yet picked up your Bleacher Creature's shirt, we'll have the rest of the shirts available on Friday at the game. We'll be set up in the drop-off area around **6:30 pm** for shirt pick-ups. If that doesn't work for some reason, please email HaysABC@gmail.com and we will make arrangements.

Please let me know if you have any questions.

Thank you for allowing your Young Rebels to participate in the Bleacher Creatures!!
