

Florida Trapper's Predator Training

Feb 18-21, 2021

Training:

This is a fantastic hands on event with demonstrations and the opportunity to learn from some of the best! You will have an ample opportunity to try your hand at skinning, fleshing and of course trapping! Use of Live traps, footholds and snares will be taught. Proper fur handling techniques will be taught as well as fur trapping ethics & all participants will be educated on Florida laws and regulations. This is always a great and rewarding extended weekend of hands on trapper training and fellowship with nice folks.
