A COLLECTIVE FOR WOMEN

The 2026 Primary Election for Kentucky is May 19th.

Many important roles are up for election in November and only candidates who make it past the primary will be on your ballot.

1. Register.

You must be registered to vote with your current address — make sure you are all set by **April 20th at 4 PM.**

2. Mark your calendar.

You can vote **May 14th–16th** at any location, or **May 19th** at a designated spot. Make your plan to get to the poll or request an absentee ballot.

3. Know who gets your vote.

Who you vote on depends on where you live and what party you chose at registration. Look up your ballot and research your candidates.

4. Vote between May 14th and 19th.

Early voting is easy and encouraged! If that doesn't work for you, get to the polls **May 19th between 6 AM–6 PM** local time.
