

# Ecoglo<sup>®</sup> EXAL Series Architectural Photoluminescent Exit Sign

The Ecoglo<sup>®</sup> EXAL Series Architectural Photoluminescent Exit Signs are the favoured solution to ensuring that your facility is equipped with the safest backup technology in an emergency. Each sign has an acrylic coating with elegant beveled edges that give them, and the space they occupy, a more sophisticated aesthetic. With each sign, we offer a range of anodized aluminum mounting kits that guarantee the most efficient installation procedure for any location. With no electricity or battery required, our code compliant photoluminescent exit signs will illuminate your path after being charged by natural or artificial light.
