

Convention 2020

TRAINING REQUIREMENT

Remember training is required each year for all board members of our local units. Training your board of directors can make all the difference! Boards who have received training are more engaged, more confident and run more successful PTAs.

This year we will be holding a Virtual Convention, and you are able to fulfill the WSPTA training requirement for next year from the comfort of your own home!

According to the WSPTA Standards of Affiliation, training is required for your board of directors prior to the convention. Training received at convention will count for next year. Each board member must take a training class yearly, and **one member** of the board of directors **must attend PTA and the Law**. For more information, visit the [Governance page](#) of the website.

Convention Registration

- Cost \$60
- Access to general sessions **Sat. & Sun.**
- **Inspiring keynote speakers** – Erin Jones, J Marie Johnson-Kola and 2020 Washington State Teacher of the Year Amy Campbell, who will be focusing on diversity, inclusion, and more.
- Access to inspirational leaders
- Access to subject area panels – expert advice in ten areas including “The Diversity Squad” who spoke at National PTA Convention 2019.
- Access to coaching sessions
- Access to professional development
