

A Cajun, Southern, Italian Affair!

**A *Sound Bite* is a broadcast news term that is an extraction from a long piece of audio, to promote and exemplify the true meaning of a story. The '*Bite*' in the Sound Bite theme is to promote the same experience with food. Extracting the very best that the Cajun, Southern & Italian culinary genres have to offer and infusing them with each other. The '*Sound*' in the Sound Bite theme will provide the very best of America's only indigenous art form—Jazz!**
