August 07:00 - 19:00

Pressure from urban development encroaches on valuable canopy space in Coconut Grove.

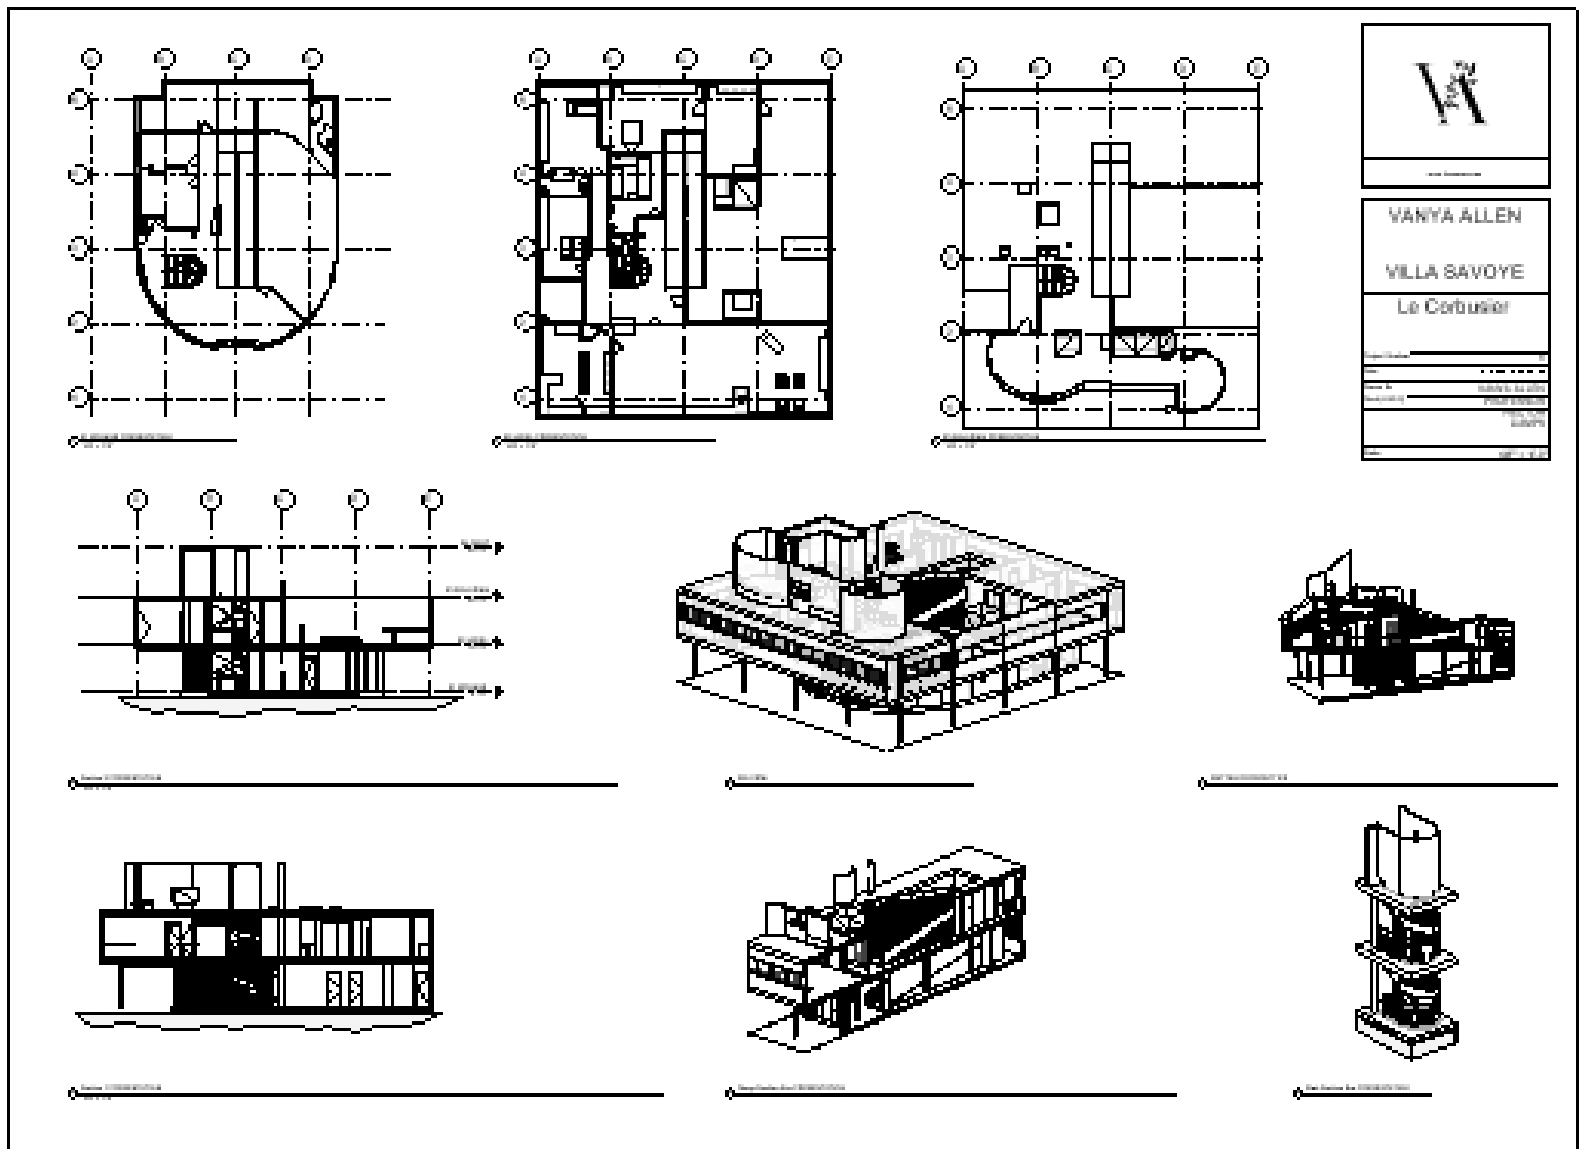

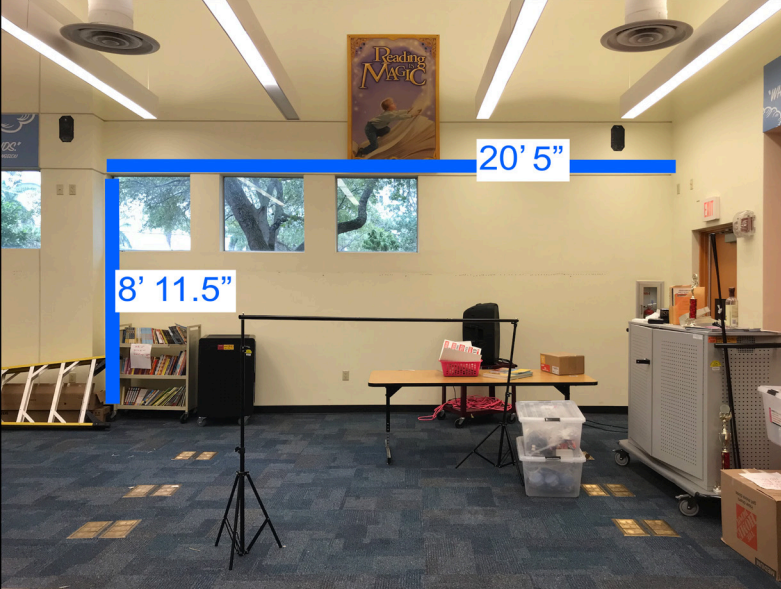

The playhouse is located at the center of a historic community and along the edge of an important ecosystem.

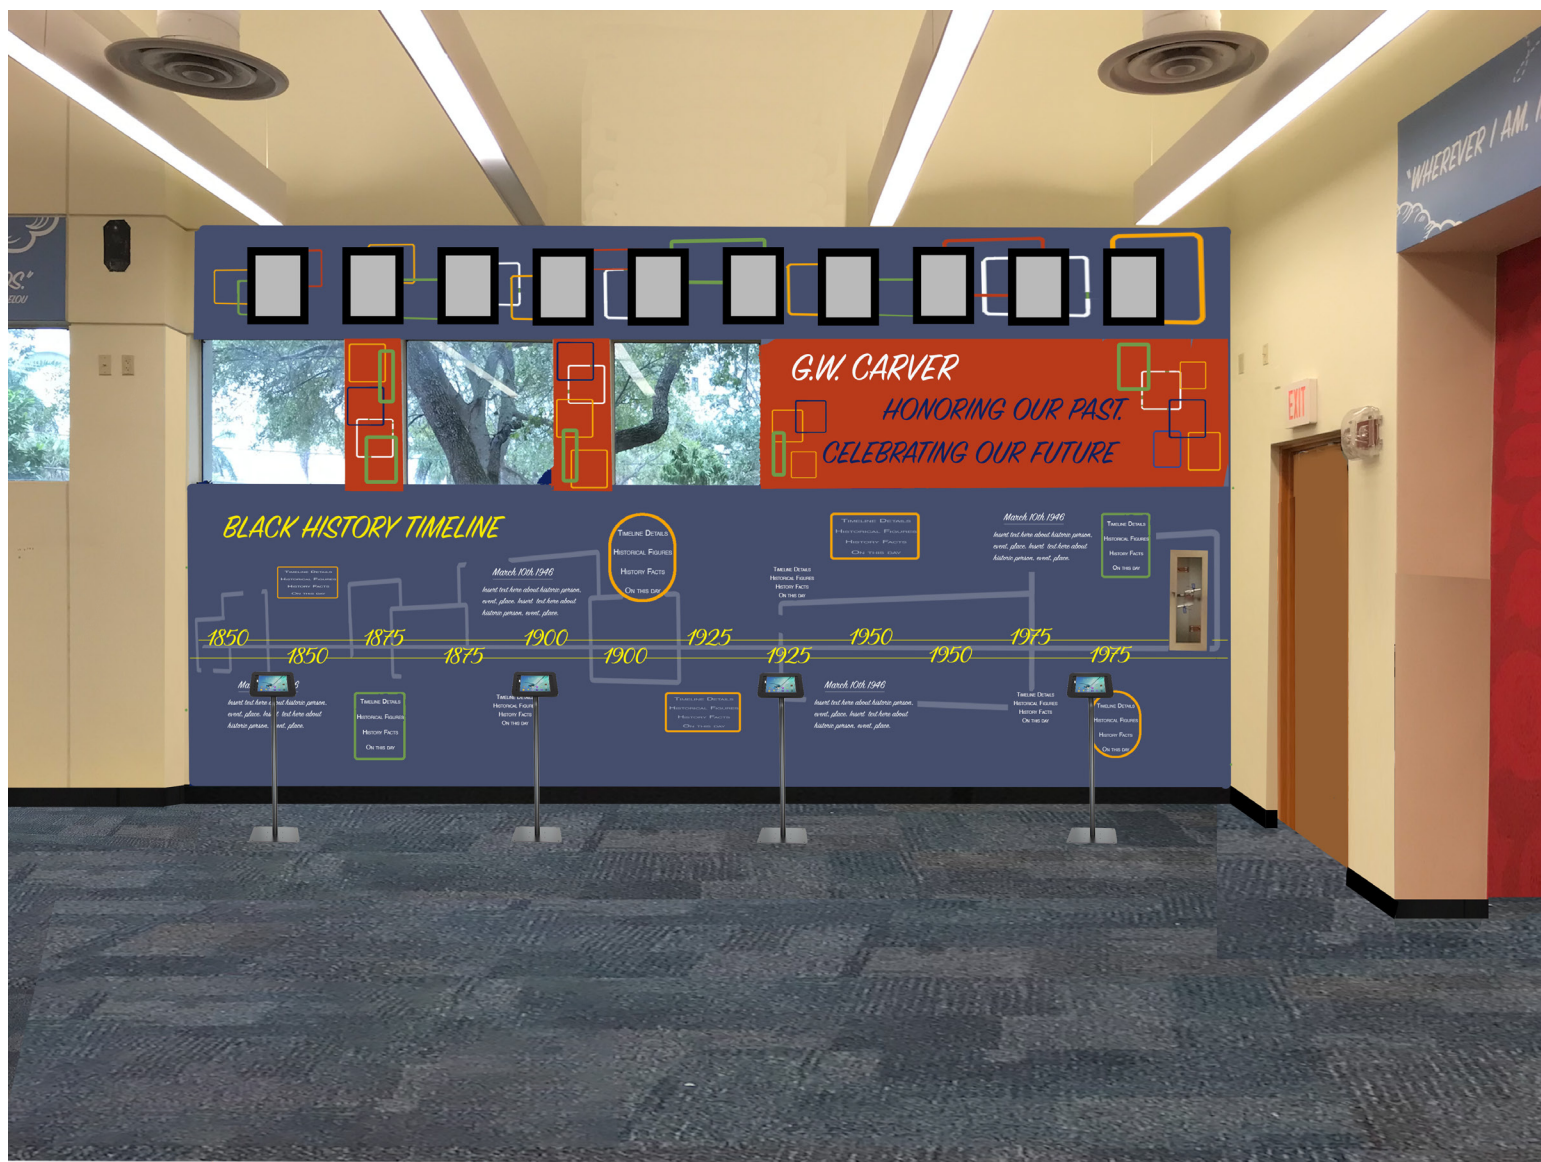

Restoring the language of Main Highway will place the site at the center of history, nature, art and culture in Miami Dade County.

Digital Drawings: Architectural Revit, Indesign, Illustrator

Digital Drawings: Library Black History Timeline

Digital Drawings: Retail Display Anthropologie
