

Rabbi Fishel Jacobs

With His help

DATE

This is to Certify that

YOUR NAME

has successfully completed study in preparation for his *chupah*.

He has carefully reviewed all the standard subjects, according to custom.

These include:

Niddah, stains, *harchokos*, *hefsek tahara*, Seven White Days, marital issues, *vestos* laws, etc.

He is well prepared, with the help of Heaven, to establish a family and home.

All that remains is to bless him and his future home to be full of Torah, *mitzvahs*, *nachos* and increasing health.

Sincerely,

Rabbi Fishel Jacobs
