

CERTIFICATE OF ORIGINALITY

[CIRCLE ONE]

Congratulations, Guy who made the BTTF joke/reference Guy who made the cocaine joke/reference
Guy who stated incorrect technical information as fact

You've just made a comment that no DeLorean owner in the last 28 years has ever heard before! For this, you're receiving this certificate, and being inducted into our Hall of Fame of Comics, Comedians, Humorists, Jokesters, Quipsters, Stand-ups and/or Automotive Gurus, Authorities, Experts, Specialists and Know it alls.

--- --- --- --- ---

To earn this prestigious recognition, you have done one of the following:

- Asked where the Flux Capacitor was.
- Asked what happens when you hit 88 MPH.
- Asked where the cocaine was hidden.
- Stated that the outer panels are aluminum.
- Stated that they have FORD/Chevrolet engines.
- Stated that the car was made by FORD/Chevrolet.
- Stated you worked in the factory in Detroit that made them.
- Stated it is a kit car.
- Stated that John Z DeLorean was in prison.
- Argued with the owner that the exterior would rust if not painted.
- Stated the car was used to smuggle drugs/money.
