COMPANY OVERVIEW

Beyond The Call Medical Project is a Service-Disabled Veteran-Owned Small Business (SDVOSB) specializing in the supply of medical equipment and consumables to federal, state, and local government agencies. Built on military, law enforcement, and fire service experience, we deliver mission-ready products that meet strict regulatory and performance standards. Our approach emphasizes accountability, streamlined procurement, and reliable fulfillment to support operational readiness.

CORE COMPETENCIES

- ✓ Medical supplies for federal, state, and local agencies
- ✓ Order fulfillment aligned with agency timelines and delivery schedules
- ✓ Packaging, labeling, and documentation compliant with government standards
- ✓ Responsive communication and order status updates within 24-48 hours
- ✓ Flexible order quantities (low-volume to bulk procurement)

DIFFERENTIATORS

- ★ Our team with 60+ years combined experience in military, law enforcement, and fire service
- ★ Firsthand end-user knowledge of emergency, field, and clinical supply requirement
- ★ Experience operating in high-tempo, time-critical environments (24/7 readiness mindset)
- ★ Direct familiarity with PPE standards, trauma kits, and field medical equipment usage
- ★ Faster sourcing decisions based on practical application, not catalog-only selection
- ★ Reduced procurement errors through real-world product validation before delivery
- ★ Established supplier network enabling rapid fulfillment of urgent and backordered items
- ★ Streamlined communication—direct access to decision-makers (no layered bureaucracy)
- ★ Quality control checks aligned with manufacturer specifications and government requirements
