

Building Bridges

Connecting Past, Present, and
Future Generations

Dwight Deloatch '13 **Alumni Representative**

Dwight Sinclair Deloatch is an American entrepreneur, investor, and philanthropist. Deloatch inherited H&B Services, a facility maintenance company servicing commercial and

government clients through the northeast region. Dwight strives to build on the generational legacy by providing full-time employment and benefits to vulnerable underemployed Washington, D.C. residents.

An undergraduate of Delaware State University, Class of 2013; in 2022 Deloatch returned to his alma mater to obtain a Master of Business Administration (MBA). During his MBA tenure, Deloatch served as a Graduate Assistant within Delaware Center for Enterprise Development, The Garage. Deloatch assisted with building innovative programming, speaker series, and business development for aspiring entrepreneurs. Outside of his business affairs, Deloatch stays active with his community by volunteering.
