RENSON®

Renson Camargue®, invisible strength

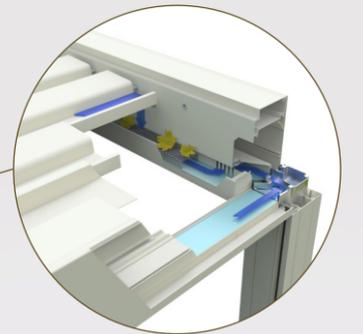

HIGH-COMFORT CLEAN DESIGN
Seamless, invisible integration of motor and wall inserts (Fixscreens, glass, etc.)

INVISIBLE STRENGTH
Camargue's fully enclosed column structure meets the strictest building standards.

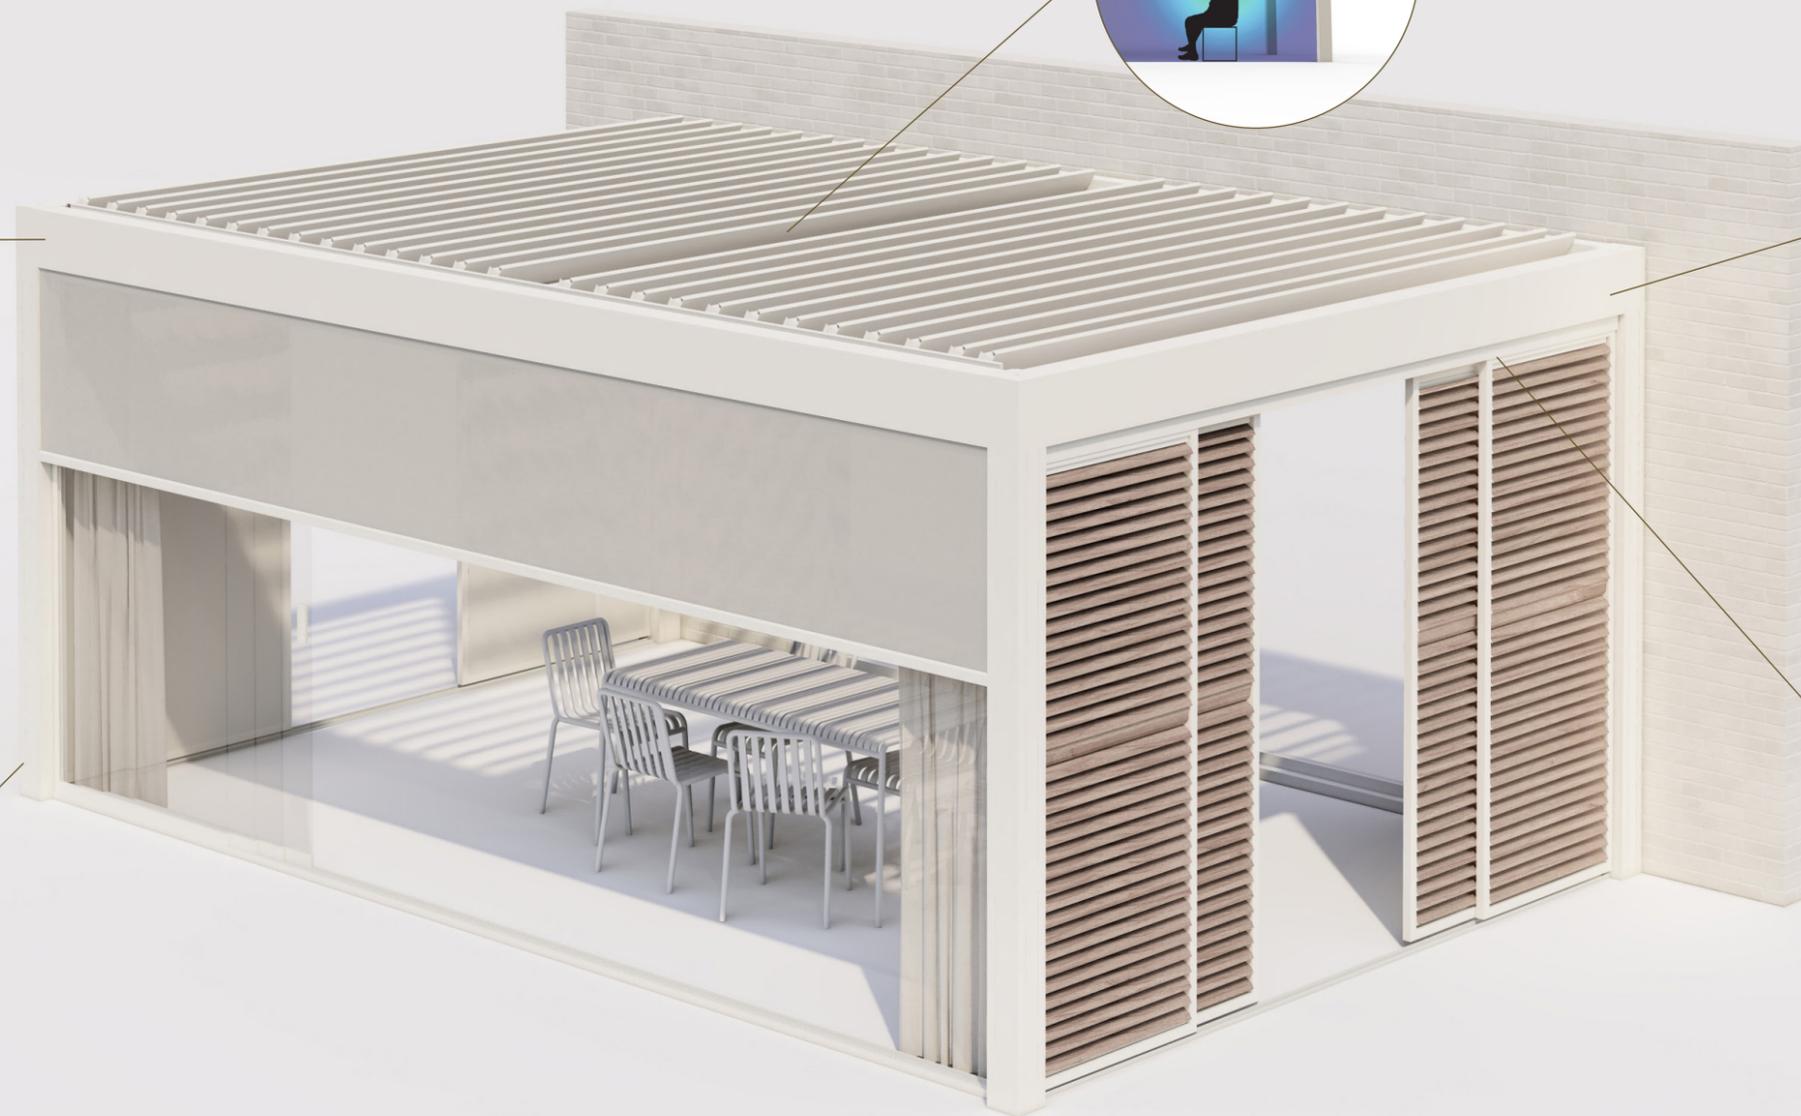

INTEGRATED HEATING
Efficient technology where you want it

SMOOTH WATER DRAINAGE
Splash-free and no risk of blockage

WIND-RESISTANT SLIDING PANELS
Automatic locking thanks to mechanical stoppers

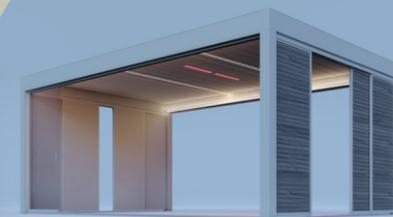

CONTROL SUN AND SHADE

Adjust the rotating blades to control shade and light, or to improve airflow and release trapped heat. Adding screens, sliding panels, or outdoor curtains only enhances the versatility, giving you endless options for comfort and style.

IN THE RIGHT LIGHT

Create the right atmosphere for any occasion by combining functional and ambient lighting. Your Camargue's design captivates, both indoors and out.

SHELTER FROM THE ELEMENTS

Automatically close the blades at the first sign of rain, select side infills that shield against wind and rain, and add heating wherever you need it. Turning the Camargue into a cozy, all-season retreat has never been easier.
