

Dear Minisink Valley High School Senior,

Many of our local community members and organizations support scholarships for graduating seniors. As you know, Covid-19 has had a negative impact on the economy. Despite the negative impact on the economy, there have been many community members and organizations that remain committed to awarding scholarships. We are grateful for their generous efforts.

In the past, scholarship providers may have asked students for an interview or to write an essay dealing with a topic that was specific to the scholarship. This year, for a variety of reasons, we are streamlining the process. Students will fill out a generic application and there will be no face to face or virtual interviews. Please follow the instructions below to complete a scholarship application.

### **Instructions:**

#### **A complete application must include the following:**

- Students should review our list of scholarships via [Naviance](#).**
- Submit a Completed Application form
- Submit Two Letters of Recommendation from school personnel and/or community members (Letters in Naviance can be sent upon student request.)
- Your High School transcript (if required, counselors can send upon request)
- Students who may have already submitted scholarship paperwork to providers need to complete this document as well so we have records of the applications. Students may cut and paste into the application question boxes below where appropriate.
- Your completed Minisink application must be electronically submitted to Mrs. Patel ([bpatel@minisink.com](mailto:bpatel@minisink.com)) via your **MVHS student Google Classroom Account by April 15, 2021.**
- Submission via the MVHS Google Classroom called Scholarships 2021 will authenticate your permission for MVHS personnel to deliver your transcript and application to the scholarship providers.**
