Lot 107 Block 03

**My name is Justin Taylor and I would like for you to consider me for the YES/NO VOTE. I have lived in oak grove heights for going on 19 years I work at utility trailer and have been in the park 7 years. I have served on the activities committee and I am also have served on the pumper truck committee. I served on the Riverbend board of directors resigned due to personal reasons. On the various committees and board of directors I have served on I have learned the hard way that you cannot please everyone in the park it's one heck of a hard job and you won't always make everyone happy but all you can do is try. I also was the board member over the bylaws and rules and regulations committee. And have noticed that there are still some changes to the bylaws that need to be made.**

**Thanks**
