Lot 116 Block 03

I've been a member of Riverbend Park for 7 years and would like to be considered for the board. My children and grandchildren have always enjoyed this park and I would like to be an active member of it. I work in management for 20 years, with Marriott, Sodexo and other cooperate services. The last 20years, I've dedicated my life to helping others. I been a foster parent for Dept of Family and Childrens Services and worked for the Dept of Mental Health with mentally and physically disabled teens and adults, while also working case Management. We live in the park most of the summer and can often be seen in the park during the winter. My husband and I have raised 7 girls and 1 son. We love Riverbend and would like to see it progress in a positive way. We are in Block 3 lot 116-113.

Thank you for your consideration
