

Michael Roland

Lot 009 Block 07

Thank you for this opportunity to introduce myself. My name is Michael Roland and we own block 7 lots 7 through 10. I originally bought in the park in 2017 and sold out in 19 because of health issues and realized it was the biggest mistake we could have made and bought back in the park in 2020. During that time weve made alot of friends and hope to continue doing so.

I don't like the political part of the park because you end up making enemies but over the years we've seen stuff we don't necessarily agree with and the best way for change to happen is step up to the plate and try and make a difference. I want what's best for Riverbend and if I'm giving the chance I'll do all I can to make the park a better place. I know everyone won't agree with some of my views but I'll promise you this, I'll be fair to each and everyone and I'll do everything I can to make sure the park rules apply to everyone including the board members because we are all equal and no one is above the rules.

I'll end this with saying choose your board members wisely because they are supposed to represent you.

Sincerely,
Michael Roland
