My name is Charles Mobley married to my wife of 13yrs Vicki. We live in Manila AR. We also have 5 kids and 9 grandkids. We have been members of park for about 4yrs. Most of my adult life was spent working for Schwan's Food for 25yrs. I had several duties as a Route Sales Associate, Trainer, Sales Supervisor and ending up as the General Manager for a facility in Van Buren AR. I feel my experience working with people and decision making could be an asset to other board members and POA members. The park is my family's go to place just to get away. We have made great friends here. I know everyone on board's goal is to make our park the best it can be. I would like to be part of our success. I look forward working with all of you on the board to accomplish our goals. Thank all for considering for this position.
