----- WHO'S WHO -----

Daniel Kasenburg

as Ja'far

Daniel is simultaneously elated and terrified to be playing Ja'Far in Dramatically Incorrect's production of Twisted! After more than a decade of cruelly depriving himself of the joy of being on stage, he decided to slowly get back into theatre as a New Year's resolution in 2018, and since then he has appeared in Arlington Friends of the Drama's productions of Witness for the Prosecution and The Addams Family. An incorrigible Canadian, Daniel moved to the Boston area to pursue a PhD in computer science at Tufts, where he spends his days researching how to give robots ethical reasoning capabilities. Special thanks to the phenomenal cast and crew, family and friends.

Leo Ducharme

as Aladdin

Leo Duke is proud to be making his DITDG Debut as Aladdin in Twisted! Leo is currently studying Music Performance and Theatre Arts at the University of Massachusetts in Lowell. His most recent credits include The Baker in "Into the Woods", Benedict in "Snowflakes: or Rare White People", and Hercules/Cronos in "The Greek Mythology Olympiaganza"! Leo could not be more excited to be performing in his favorite Starkid show, and has even taken great lengths to get into character. Have you not noticed that your wallet is missing yet? Ta-Dah!

Sara Landry

as Princess

Sara is making her second Dramatically Incorrect (DITGDC) appearance. As a newer resident of Lowell, she is delighted to join the Dramatically Incorrect family. While long walks on the beach are nice, acting is what she loves to do. Previous credits include Maureen Johnson in RENT, the Witch in Into The Woods, and Ensemble in Cannibal! The musical with Actorsingers. She is grateful to her friends and family for their love and support especially to Phil Laks for being so supportive.

Treasure each other and please take precautions to keep from Covid-19 from spreading... we all want to get back to theater as we once knew it.

----- WHO'S WHO -----

Caitlyn McLeash

as Sherrazade

Caitlin is thrilled to be a part of TWISTED! Favorite past roles include Spider ("James and the Giant Peach", Acting Out!), Silly Girl ("Beauty and the Beast", Acting Out!), and Pickles ("The Great American Trailer Park Musical", ACT Theatre Company). When she's not chasing toddlers or performing on stage, she performs at events with Party Princess Productions-Boston(characters.io). She would like to thank her family & friends for supporting her, both on the stage and off.

Connor Forbes

as Achmed

Connor Forbes is extremely excited to be making his Massachusetts theatre debut with Dramatically Incorrect. As a New Hampshire native, this is definitely a trek for him, but has been completely worth it in the end. Favorite previous shows include The Complete Works of William Shakespeare (abridged), Cannibal The Musical, Beauty and the Beast, Mamma Mia, Flashdance, and High Fidelity. In his free time, Connor enjoys not sleeping, playing board games, and writing biographies about himself in the third person. Fun Fact: Connor has actually been on stage in front of a Broadway audience before, maybe ask him about it.

Lex Blair

as Captain

You may not know the name Lex Blair, current assistant to the Royal Vizier, but you may be familiar with our Captain from past endeavors in theatre and various venues. Prior to their eight-year hiatus, they acted in High School Musical, Bye Bye Birdie, The Producers among them. Now returning to the stage, they come to the show with new experiences as a model for their partners crafting business, Snitches Get Stitches. In addition, they have been part of the Rocky Horror Full Body Cast for a year and create music under Saandro available on all streaming platforms.

----- WHO'S WHO -----

Michael Godin

as Royal Vizier

Mic is proud to be a part of this incredible journey through the sands of time with you, as we take you on an adventure in the life of Ja'Far. Some of his favorite roles to date have been Professor Bhaer in "Little Women: the Musical", Turk in "Holy Ground", Kenny in "Laughter on the 23rd Floor" and Uncle Louie in "Lost in Yonkers". He is proud to get a chance to work with such a great group of incredible actors! Break legs, everyone!!!

Devin Provencher

as Sultan

Devin Provencher is a student at UMass Lowell majoring in Electrical Engineering. He was most recently seen playing Peter Van Daan in *The Diary of Anne Frank* and Prometheus in *The Greek Mythology Olympiaganza* with the Off-Broadway Players, a student-run producing group he is president of at his school. This will be his first time acting outside of an educational facility. He is very excited to make his public theatre debut in such an amazing show with an amazing group of people.

Nadia Nalesnik

as Monkey/Djinn

Nadia is a student At Umass Lowell majoring in Music Education who has a passion for musical theater and the performing arts. This is her first show with Dramatically Incorrect Theater Company, and she is BEYOND excited to be a part of the Twisted Cast! Past acting credits include: Gabrielle in Rodgers and Hammerstein's Cinderella, Pete and Marvalyn in Almost, Maine, Lucy in You're a Good Man, Charlie Brown, and Rona Lisa Peretti in The 25th Annual Putnam County Spelling Bee. In her free time, Nadia is a part-time librarian and a full-time emotional support dinosaur supplier. She would like to thank her family and friends for all their support!!

----- WHO'S WHO -----

Michelle Kelly

as Bird

Michelle is thrilled to be a part of Twisted and part of the Dramatically Incorrect Theater Company. Her passion for theater and music started in middle school where she performed in various shows. In High School, aside from theater she joined The Children Of The World Choir directed by Marina Waks that was based out of Beverly Hills CA. They performed for various celebrity fundraisers as well as appeared on The Tonight Show with Jay Leno and had a short scene in the Movie Face Off. On her spare time she enjoys time with family and her horses. By profession she is a Horse Riding instructor as well as a Certified Equine Assisted Learning instructor where she teaches life skills development through the use horses. She would like to thank her Parents, husband, and friends for all their support. To the cast and crew she wishes them good luck and congratulations on a show well done!!

Connor Ferguson

as Ensemble

Connor (Gaston, Omar, Abdul) is overjoyed to be a part of Twisted: The Untold Story of a Royal Vizier! An actor, musician, and comedian, he gets to channel all of these passions into one production! Past shows he's appeared in include Mamma Mia! and The Music Man with the Pentucket Players. Connor would like to dedicate his performance to his father Mark, for always supporting him in his creative endeavors.

Olivia Minchello

as Ensemble

Olivia Minchello is so excited to be joining DITGDC for Twisted as her first musical with the company! Olivia has been performing in musicals since middle school and has been seen in roles such as Meg Boyd (Damn Yankees), Dragon (Shrek the Musical), and Housekeeper (Man of La Mancha). Olivia was to go on as Cosette in "Les Miserables" April 2020, but unfortunately the production was canceled due to COVID-19. As a Music Education - Voice major at UMass Lowell, Olivia hopes to teach choir after she graduates. Olivia joined the Twisted cast and family mid-production and couldn't be happier she did! Filming a musical in this manner was a first for Olivia and an experience she will never forget. Twisted is a hilarious show, and she hopes you enjoy! Thank you to Olivia's roommates Jordan and Will who continuously listened to her when she wouldn't shut up about rehearsals: you guys are the best!
