Installation of Webex - Windows

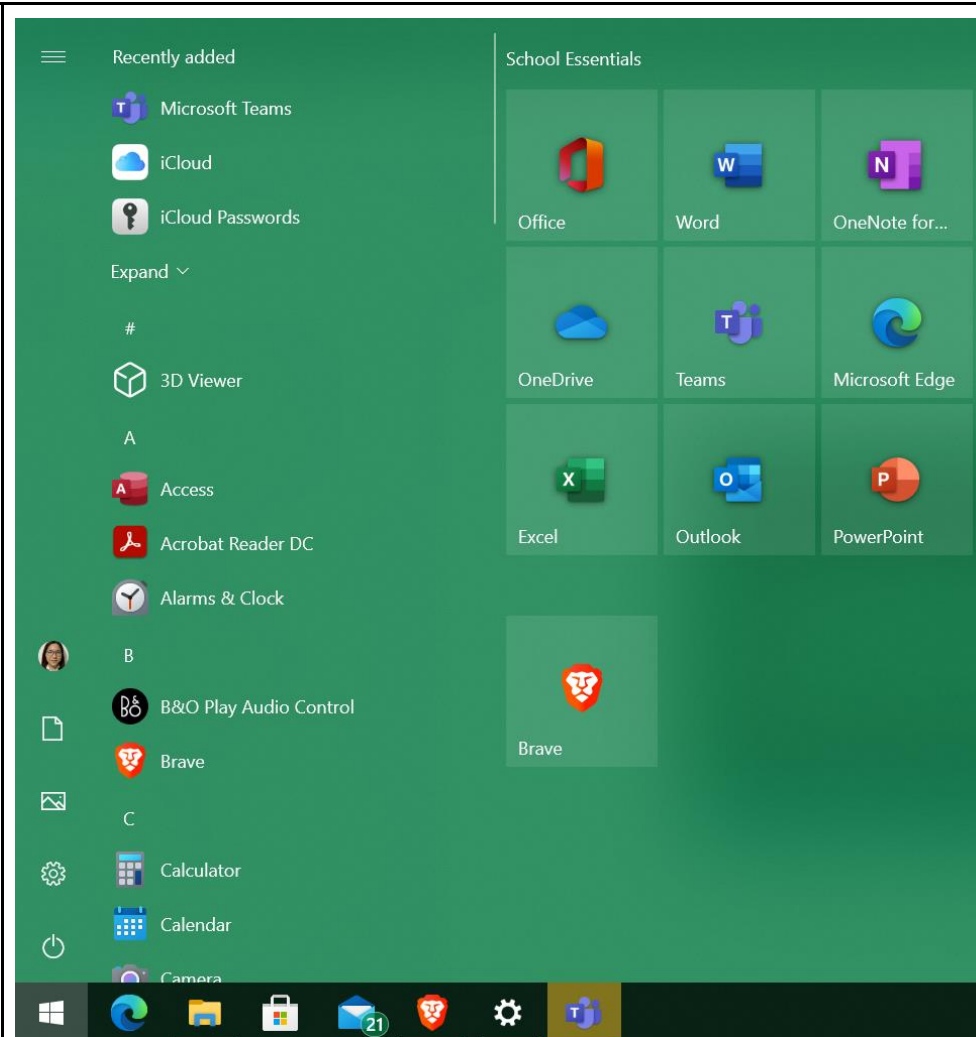

<p>1. Go to https://www.webex.com/ and click on Download (on the top right side)</p>	
---	---

QUICK TECH TIP

www.quicktechtip.com

2. Download the 32-bit or 64-bit program, depending on your laptop's system type
 - a. To find out whether your laptop is 32-bit or 64-bit, click on Windows

www.quicktechtip.com

b. Type 'About' & click enter (you'll see About PC)

The screenshot shows the Windows search interface. At the top, there are navigation tabs: 'All', 'Apps', 'Documents', 'Web', and 'More'. Below these, the search results are categorized into 'Best match', 'Settings', 'Search school and web', and 'Apps (1)'. The 'Best match' section highlights 'About your PC' with a green background and an information icon. The 'Settings' section lists various system settings, each with a right-pointing arrow. The 'Search school and web' section shows a search result for 'about - See school and web results'. The 'Apps (1)' section is currently empty. At the bottom of the search results, there is a search bar containing the text 'about your PC'. The right side of the screenshot shows the 'About your PC' settings page, which features a large information icon and the text 'About your PC' and 'System settings'. Below this, there is an 'Open' button with a right-pointing arrow.

Creating Webex Account

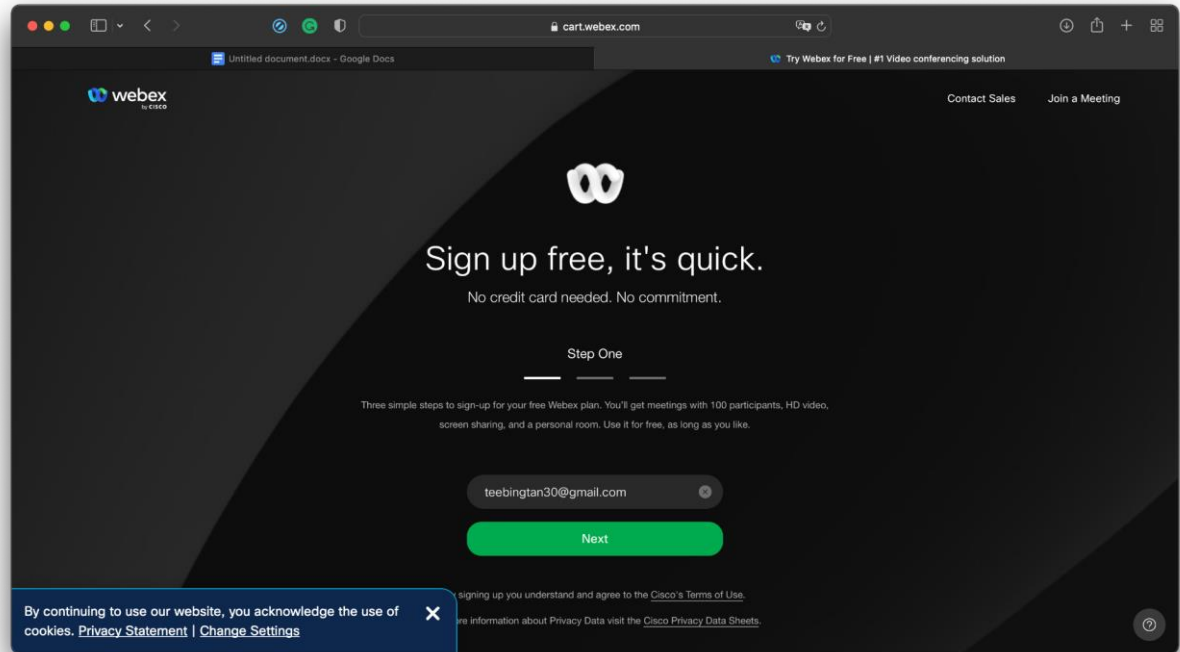

1. Navigate to <https://www.webex.com> & click on the Sign-Up button at the top right corner of page

www.quicktechtip.com

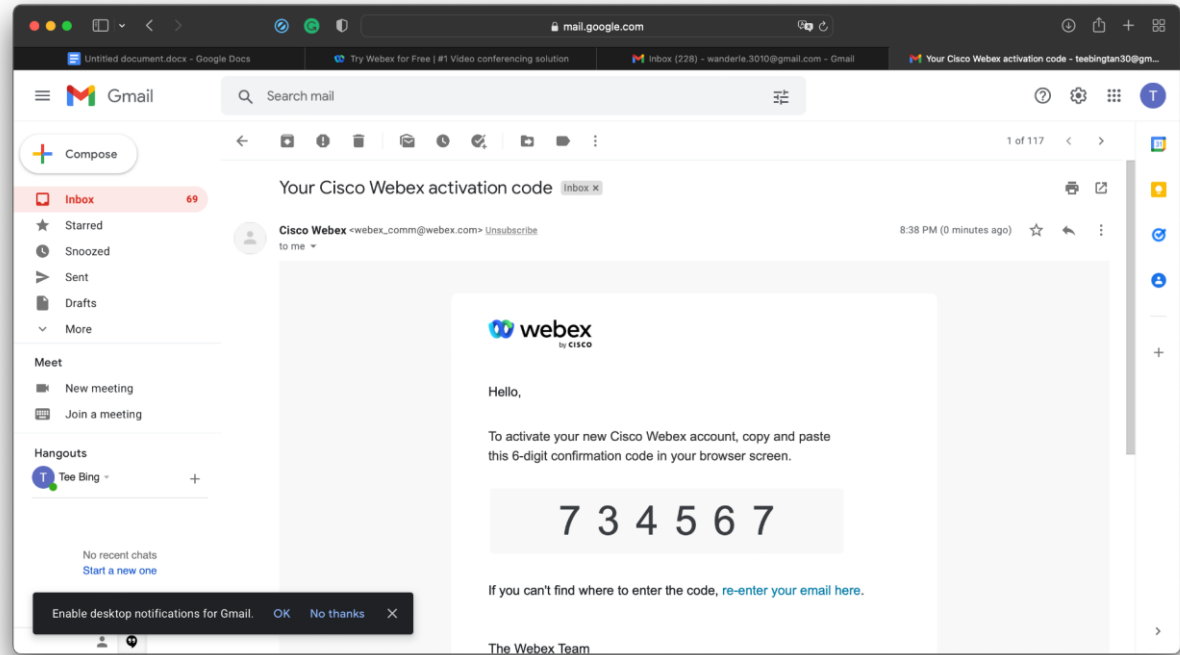

2. Enter the email you want to register with Webex and click Next

www.quicktechtip.com

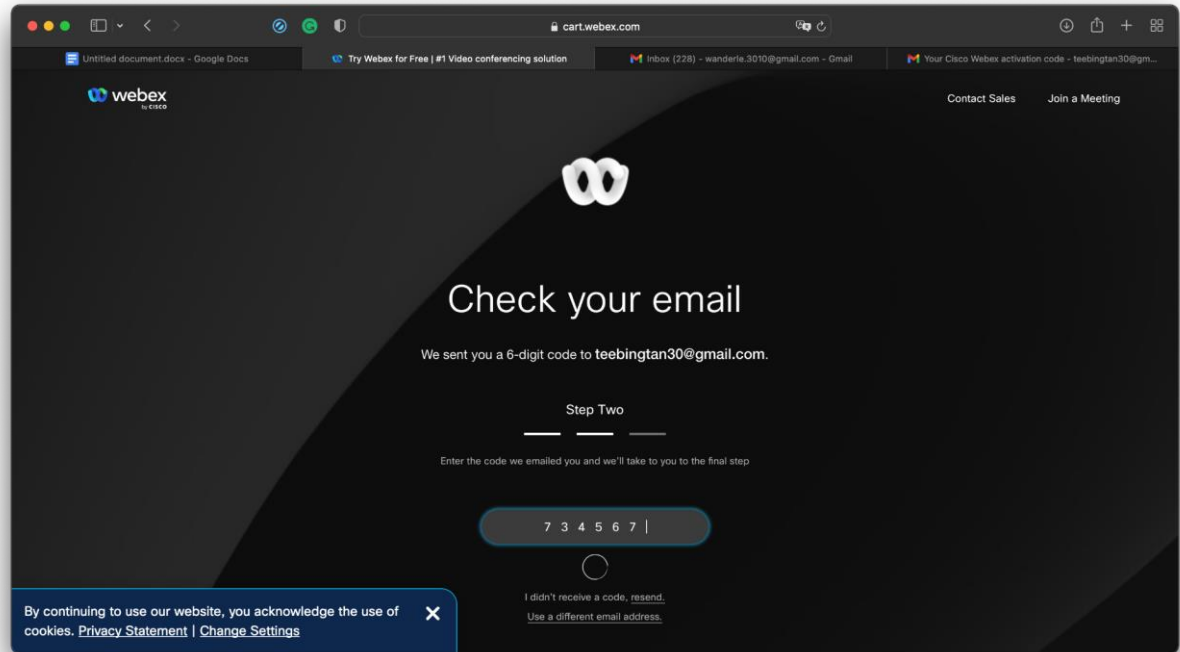

3. Go to your email & retrieve the 6-digit confirmation code

www.quicktechtip.com

4. Paste the confirmation code back to the website

QUICK TECH TIP

www.quicktechtip.com

5. After the successful verification of the confirmation code, set up your Webex account by entering your details (First & Last Name & Password) and click Continue

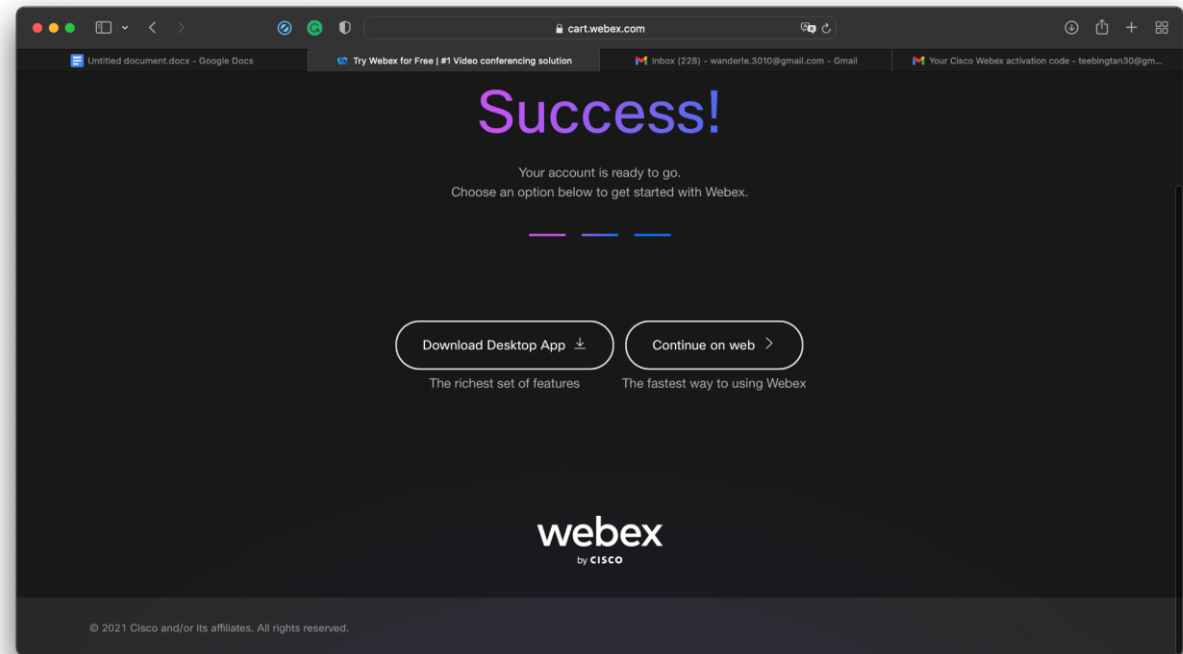

The screenshot shows the Webex account setup page at cart.webex.com. The page is titled "Let's set up your Webex account." and indicates it is "Step Three" of the process. The user is prompted to enter details to finish setup. The form includes fields for "Country/Region" (set to Singapore (English)), "Tee Bing", "Tan", and "Phone (Optional)". A password field contains "hack4-Mobdor-rukgy" and is labeled "Strong Password". A green "Continue" button is at the bottom. A "Password Requirements" pop-up is visible, listing criteria: at least 1 number, 1 uppercase letter, 1 lowercase letter, 1 special character (with a regex pattern), at least 8 characters, and at most 256 characters. A cookie notice is at the bottom left.
