**Thank you for taking the time to look through my catalog of images. Of course, as with any photographer, this is just a small sampling of the images that I have on my computer! Please feel free to contact me if there is any subject or theme for which you are looking - I may already have it!**

**Pricing is for a print of a specific size, and, unless otherwise noted, come mounted on mat board and unframed. Shipping is free. I can have my prints framed for you for an additional cost for framing and shipping.**

**I have other print options available including mugs, cutting boards, tiles, ornaments, and more, so if there's an image you like, but don't have room for a print for the wall, ask me!**

**Follow Jane Ballard Photography on social media and on our website, [janeballard.com](http://janeballard.com).**

**Thanks again for looking!**
