Our partner is currently expanding, and are seeking experienced Bench Joiners to join their growing team in Warrington; to help make quality timber windows and doors. As part of a rapidly expanding company with an excellent reputation in the industry, you will play a key role in helping them deliver high-quality products.

A well established, busy Joinery Manufacturing company based in Warrington. We specialise in the manufacture of timber windows, doors and staircases; and are looking to recruit highly skilled Bench Hand Joiners to work in our workshop.

The ideal candidate will be:

- Fully experienced in the manufacturing of timber windows, doors and/or staircases
- Capable of working well on their own initiative and also work well as part of a team.
- Able to read and understand technical drawings and have good communication skills.
- Able to set and operate machinery including tenoners, mortisers, spindle moulders, planers etc.

Good rates of pay will be offered, and will be dependent on skill level.
