An ambitious Project Manager looking for his next career move in and around the London.

Professional Summary

Highly skilled and results oriented Construction Site Manager and Project Manager with over six years of hands-on experience in managing and delivering complex construction projects from inception to completion. I can demonstrate exceptional leadership in guiding cross- functional teams, optimizing project efficiency, and maintain a strict adherence to health and safety standards. Proven track record in delivering projects on time and within budget, driven by a strong commitment to quality and excellence. Seeking to leverage extensive industry knowledge and project management expertise to contribute to the success of a forward thinking construction company and to a continued successful career.
