### "Real Love Must Act"

A discussion of the parable of the Good Samaritan

Luke 10: 25-37

Notes:

The Samaritan's actions show that love must **ACT** with...

**Acceptance** - We respond to people as they are.

1. *Warning:* Fear hinders our care of others. *The Levite*
2. *Fact:* Accepting others expands our capacity to care for them.
3. *Encouragement:* Let's act with "the heart" instead of "the head." *Phil. 1:7-8*

**Commitment** - We meet the needs of people.

1. *Warning:* Busyness hinders our care of others. *The Priest*
2. *Fact:* Love is drive behind our care for them.
3. *Encouragement:* Let's act with a sense of urgency. *1Jn 4:16*

**Trustworthiness;** we love people out of obedience to God.

1. *Warning:* Love isn't just about righteous talk; it's about righteous actions. *The Samaritan*
2. *Fact:* Love for others is a command of God.
3. *Encouragement:* Let's let our faith show by how we act. *2 Jn 1:16; Matt. 5:16*
