

**Message from God's Life-Giving Word**

**big CHURCH – big OPPORTUNITY**

Sharing Jesus...

**big OPPORTUNITY**

Notes on Philip and the Ethiopian – Acts 8:26-40 – the perfect scenario:

What it is actually about:

\* God chose \_\_\_\_\_

Big CHURCH = big OPPORTUNITY

**Next Steps**

1. Journal about how Christians can give Christ a bad name. What are some ways Christians make it difficult for those who are turning to God? While the Church has been leveraged its influence to serve its own purposes from time to time, how has the Church positively affected your life?
  3. Review Acts 8:26-40. According to your sermon notes, where should our focus be as we read this text? With that in mind, how can you be bolder with who you invite to church? Your volunteering? Your giving? Your prayers?
  3. The church is a big idea . . . that started from one man . . . that spread to many more . . . becoming a movement that continues to grow today. The church is God's idea. And he invites us to boldly be a part of it for our generation. What is one way you can continue to be a bold part of God's big Church?
- REMEMBER:** *Your time in daily devotion and prayer is not just for your benefit. It's also for the benefit of others. Share what God is teaching you.*
