

CTK Summer Camp – Music Makers

Welcome to CTK’s Music Maker Summer Camp!

Description

Students will learn the basics of making music using hand percussion, bucket drums, E drums, keyboards, pianos, guitar and vocals! They will be introduced to the many techniques used in their favorite songs as we learn how to play real worship music by artists like Hillsong, Passion, Bethel and Chris Tomlin. Math, deduction and reasoning lessons are built into the curriculum: *How many beats are in a bar? How do we make chords from individual notes?* We explore these questions and more in this basic Music Makers Summer Camp. Instruments will be provided; Students are welcome to bring their own instruments as well!
