Dear Christ the King Family,

Greetings from your Call Committee.

We know that being without a called Pastor is new for some of you, and for others this brings back memories. Please know this. Within our congregation and within our call committee, our Circuit and our District, and above and beyond all these, in our God, we have all the experience, support and knowledge that we need to bridge us from the blessings of ten years of ministry with and under Pastor Tim to our next Pastor, whoever he might be. God has somebody in mind for us, and in God's timing he will join us.

As your Call Committee, we are invested in being as communicative and as transparent as possible during the call process. Because not all of us have been through a call, next week we will share steps and milestones within the call process, points where whole congregational involvement is needed, and give you a progress report. For now, here are some quick updates:

- Pastor Paul Koch from Grace Lutheran in Ventura is our Circuit Visitor. He serves as an advisor to the Call Committee and will be our advocate wherever needed.
- The Call Committee met on 9/14 and is meeting weekly at this time to prepare documentation (essentially, our congregational résumé) which is needed to set the stage for the call process.
- Over the coming month or two, please prayerfully consider and seek God's direction regarding candidates for Pastor here at CtK. When it comes time in the call process, we will solicit your nominations for Pastor. All communicant members may submit nominations. The Call Committee narrows to three, and the Voters' Assembly decides to call one.
- Be on the lookout next week for more details on the call process!

In Christ,

Your Christ the King Call Committee: Steven Campbell, Pat Bader, Brian Korody, Ethan Miller, Sherri Spann, Rosanna Valdivieso, and Joe Ventrone
