Redemption and Resurrection

We question so many things about Heaven, Resurrection and God...

A Biblical Perspective on Redemption and Resurrection

Write down some Bible verses from this morning's message:

*God's plan climaxes in the return of _____ and the recreation of a new _____

*Jesus said to her, "I am the **resurrection** and the **life**. Whoever believes in me will live, even though he dies; and everyone who lives and believes in me **will never die**. Do you believe this?"*
John 11:25

*God has _____ given-up on His Creation.

The restoration we find in Jesus' victory and resurrection is:

Redemptive Continuity:

Next Steps

1. Journal the following: What are you looking forward to most as you anticipate the new earth and Heaven?
2. Read 1 Corinthians 15:21-23. How does God reveal His plan to fulfill His original intentions for us? Now read Romans 1:20. In what do you see God's invisible qualities presently on earth? How do you see that God is glorified in all or part of the renewal of all things? How does your life glorify God?
3. Consider how a Biblical Perspective on Redemption and Resurrection changes all areas of your life. How do you see that God is glorified in all or part of the renewal of all things? How does your life glorify God?
REMEMBER: *Your time in daily devotion and prayer is not just for your benefit. It's also for the benefit of others. Share what God is teaching you.*
