### Vintage Christmas

What are some of your Christmas Questions?

What are the promises from the Bible?

What did the witnesses to Christmas say?

Why is it impossible to stay the same when we encounter Jesus?

What Action Points will you use to approach Christmas this year?

#### Next Steps

1. Journal the following: Who is your favorite character from the Christmas account? Why? What questions did they ask? How do those questions help you identify with them and the entire account of Jesus' birth?
2. Read Luke 1 and 2. Note some of the many questions this narrative contains. How did each of the individuals approach the birth of Jesus? How did His coming change their life? How does it change yours?
3. This week, try at least one thing to help you keep your focus this Christmas on Jesus, worship and family.

**REMEMBER:** *Your time in daily devotion and prayer is not just for your benefit. It is also for the benefit of others. Share what God is teaching you.*
