When Meals Are Cancelled

All 13 of our kitchens require **at least 24 hours' advance notice** when we need to cancel meals, whether it is due to a lack of an available driver or if an individual calls at the last minute to say they will not be home. (Parkesburg Chapter is the exception, requiring two days' notice for cancellations.)

In the event we do not have a driver or a sub for the next day, we call the kitchen and **CANCEL** meals for that day. This is unfortunate because people on that route do not get their hot meal. We notify the clients if a meal will not be delivered.

If we cancel a route without 24 hour notice, we still have to pay the kitchen for the meals and the recipients do not get a meal that day, **AND** the kitchen generally has to throw the food away.

It is greatly appreciated that volunteers give us as much notice as possible if a schedule change is needed to avoid food waste. Thank you!

United Way SCC Week of Caring

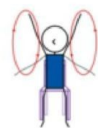

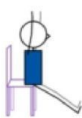

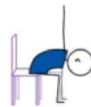

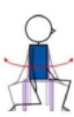

On July 28, The United Way of Southern Chester County hosted its annual Week of Caring, an annual event bringing together businesses, individuals, and civic clubs to assist local non-profit human service agencies.

These volunteers partnered with MOWCC to deliver meals, handmade quilts and friendly faces to homebound residents in Kennett Square and the surrounding area.

Thank you UWSCC!

MOWA Grants \$10,000 to MOWCC from \$70 million MacKenzie Scott Gift

Last April, philanthropist MacKenzie Scott gave \$70 million to the national organization of **Meals on Wheels America (MOWA)**. Meals on Wheels of Chester County (MOWCC) is the local organization which feeds our homebound seniors in Chester County. MOWCC and 5,000 other local Meals on Wheels groups are paying members of the national organization.

This gift is significant because normally MOWA solely provides MOWCC with research and statistics to help demonstrate our impact and value. The national organization does not distribute federal funding to the 5,000 organizations that deliver food. Instead, each local MOW gets funded by their state and receives funding determined by the specific county's Area on Aging. MOWCC receives a predetermined amount each year from the Department of Aging; this means the amount of funding received is the same, regardless of the number of meals we serve — a number that grows yearly.

MOWCC is grateful for the \$10,000 from MOWA, as it contributes greatly to offsetting the cost of food for our clients. Last year, only 37% of our food expenses were covered by client payments. Our county contract covers 18% of our organization's budget and is not used to pay for meals. We depend on local foundations and community donations to cover the rest of our food expenses. For more info on how we are funded, visit: www.mowcc.org
