At Lighthouse Christian Academy we realize there is a need for quality education centered on Jesus Christ. Many schools have forsaken the very things that are a part of LCA's foundation. These fundamentals include God, Creation, the Bible, Prayer, The Ten Commandments, The Golden Rule, Self Discipline, and Christian Morals and Standards. God led our founding Pastor, Dr. Alvin Wilson, Sr., to begin LCA as a help for parents as they train tomorrow's adults. Our goal is to educate each child in a Christian atmosphere and provide them with the academic and spiritual training they will need to be successful before God.
