

Class Ranking Policy

Classes at Lighthouse Christian Academy are ranked, first of all, by diploma type. LCA offers three diploma types which are based on individual abilities and levels of work. The types are the College Preparatory Diploma, the General/Tech Prep Diploma, and the Vocational/Tech Prep Diploma. Rankings are determined using the SCUGP 10-point scale, first by the students in the College Preparatory Program, then the General Program, and finally, the Vocational Program. Additionally, each class is then ranked within the Diploma types based on cumulative GPAs.

Uniform Grading Scale

LCA uses the SC Uniform Grading Scale to determine GPAs using the following Grade scale:

- A = 100% to 90%
- B = 89% to 80%
- C = 79% to 70%
- D = 69% to 60%
- F = 59% to 51%

Each numeric grade is assigned its grade point equivalent from the SCUGP scale.
